To any and all Students, Alumni, Faculty, Staff, Community, and Associates:

Since 1908, Missouri S&T and the city of Rolla, Missouri have put on a St. Pats celebration filled with fun, memorable events. This celebration is one that is so unique and well-known that it brings nation-wide attention and publicity to a town with a population just under 20 thousand. People from all over the region come to celebrate as well as over a thousand alumni. In fact, our St. Pats sweatshirts have been spotted as far as Paris, Istanbul, and China. When alumni get together, they reminisce on their St. Pats experiences more often than any other school related event. Again in 2016, our community will contribute to an even bigger celebration than the years before for the 108th time.

St. Pats is planning a series of exciting events designed to ensure the students of Missouri S&T experience the important role that our healthy social dimension plays in human enterprise. Such events include Snake Invasion, Follies, Gonzo & Games, the Coronation Ceremony, a parade, and the free Grateful Board Concert. Organizations all over the university compete in many of these events in order to win various awards and ultimately win first place in the celebration. This competition is the best way to represent student organizations, fraternities, sororities, honors societies, departments, and many more communities throughout the year. The more an organization participates, the more memories respective students will make and reminisce with their friends when they become alumni. This packet has all the information you and your organization will need to participate and win St. Pats this year. With your help, we can make sure this year’s celebration with the theme, “St. Pats Goes to the Movies,” will be the Best Ever.

Greenly,

Kevin Chasen

On Wednesday, January 27, there will only be 50 Daze remaining until the St. Pats celebration. On this day, we will be hosting a trivia night in the St. Pat’s Ballroom at 6:30 p.m. It will consist of three rounds of ten questions each:

- **Round 1: General Trivia (10 Questions)**
- **Round 2: Missouri S&T Trivia (10 Questions)**
- **Round 3: St. Pats Trivia (10 Questions)**

Each question is worth two points toward your overall St. Pats score for a total of **60 points**. An additional **10 points** will be awarded to the winning team. The other **30 points** will be awarded to all teams that participate. You will earn **bonus points** if your team has a faculty member on it. If time permits, there will be a **Round 4** where all questions are worth **bonus points**; this round will not be considered when deciding the winner.

*There will be various **prizes** for winning each round and winning overall. There will also be raffles, music, and refreshments!*
The Annual St. Pats Blood Drive will occur at the following dates, time, and location.

Date: 
Tuesday, February 2
Wednesday, February 3
Thursday, February 4
Friday, February 5

Time: 11:00 am-5:00 pm

Location: Havener Center St. Pat’s A&B

The points will be based on the percent of the organization members participating. Participation is defined as attempting to give blood or volunteering to work the event for an hour. Be sure to have members sign in with the St. Pats representative at the event. The percentage and points are broken down as follows:

90-100% participation-100 points
75-89% participation-75 points
50-74% participation-50 points
1%-49%-25 points
0%-0 points

*Any organization is eligible to receive full points for this event.
Every year, members of fraternities, sororities, other social and service organizations, communities, and academic departments get a design put on the back of their St. Pat sweatshirts to represent their organization (commonly referred to as “Sweatshirt Greeks.”) This year we will hold our first ever design contest so you and your organization can enter to win points for your designs!

Your designs will be judged based on the following criteria

- Quality and Uniqueness
- How well it ties into the theme: “St. Pats Goes to the Movies”
- How well it ties into your organization or community (i.e. Flags, Logos, Crests, Phrases, etc.)
- General Appeal

Organizations will place 1st through 5th based upon the judging. Point Breakdown:

1st place – 100 points
2nd place – 80 points
3rd place - 70 points
4th place - 60 points
5th place - 50 points
Participation - 45 points

Organizations should provide a designated member to be in charge of ordering sweatshirts. An order must be placed by contacting Kevin Chasen at kacbp7@mst.edu with your design by March 4, 2016 for your entry to be considered.

**If your design contains any direct references to illegal drugs or sex, contains any copyright infringements or trademarks, or contains anything that can be considered offensive to a specific race, gender, ethnicity, religion, nationality, or sexual orientation, your design will immediately be disqualified from the contest.
Fridays in Rolla are the most exciting day of the week because every Friday is a Green Friday. Once again, every Green Friday from the start of the 2016 Spring Semester until St. Pats, we will be hosting events designed to get all the students and faculty of this campus “fired up” for the 108th Annual Best Ever St. Pats! There are two parts to Green Fridays: songs & skits, and games.

**Songs & Skits**

Green Fridays will take place every Friday between January 22 and March 11. To participate in Green Fridays, your organization must send members wearing official St. Pats sweatshirts (this does **NOT** include campus store sweatshirts) to the campus sales location in front of the library between 11am-2pm. You can only send one group per hour-long time slot. It is encouraged to send a group to every time slot, but especially the slot at noon. A St. Pats representative will note your organization and number of members present. Participation points will be awarded based on the number of Green Fridays an organization participates in.

Each week, organizations will sing a song or preform a skit to go along with the different theme. Organizations may use any type of acoustic instrument to play along with their song or skit. KMNR will be playing music from noon-1pm and they will be able to provide instrumentals for songs. This is the time to be creative and get everyone in the spirit of St. Pats.

Every organization that sings a song or preforms a skit will receive **10 points** for each day provided a substantial portion of its members are present. There are a total of 8 Green Fridays, so **80 points** may be awarded to any and all organizations that meet this requirement every week. **Bonus Points** will be awarded for performances that are considered “above and beyond” the requirements.

*Note: Participants of their organization may choose to perform one song or skit per Green Friday not both. Please take in consideration that we have a tight schedule. Songs should be no more than 4 minutes long and skits should be no more than 6 minutes long. Any song or skit performed on campus that is considered inappropriate by a campus official or a St. Pats representative will result in disqualification for the organization, and thus will receive a score of “0” for Green Friday.

**Games**

During this time, there will be different “Gonzo Games” on campus that will also be worth points. We will be giving a lot of **Bonus Points** for these events, so come get **fired up**!

*January 22–Speed Stacks: Representatives of organizations will stand at a table and have to stack and unstack “speed stack” cups in a cycle (3-6-3 then 6-6, then 1-10-1). Organizations will get three chances. Participants may choose to have one person go three times, or three people go once. Only the best score will count.*

January 29–Magic Frisbee Tournament: Each organization will provide 2 participants that will be standing at a pole holding a water bottle. The opposing team will stand 20 feet away next to a similar pole. Teams will take turns throwing a Frisbee to knock the opposite water bottle off its pole. The other team will attempt to catch the Frisbee (only using their dominant hands), and the bottle if it is knocked off. Each item hitting the ground is worth a point. Each game will go to 5 total points, and you must win by at least 2 points for the game to end.

1st Place-15 Points  2nd Place-12 Points  3rd Place-10 Points  Participation-9 Points

February 5–Pong Toss: Each participant will be given 15 ping-pong balls to shoot at 10 cups filled with water arranged into a triangle at the end of a table. Players must try to make as many cups as possible. Each cup made counts as 1 point. If two cups in a row are made, the second one counts as 2 points. If the two consecutive cups made are the same cup, the second throw counts as 3 points. If the ball misses the table entirely, it will count as -1 points. Best score wins. Organizations only get one chance at this.

1st Place-15 Points  2nd Place-12 Points  3rd Place-10 Points  Participation-9 Points

February 12–Dribble Relay: This game requires three members. The first member must dribble a basketball from point A to point B. The next member must carry the basketball and dribble a soccer ball between his or her feet from point B to point C. The last member will pick up both balls and run them back to point A. The fastest time wins.

1st Place-15 Points  2nd Place-12 Points  3rd Place-10 Points  Participation-9 Points

February 19–Knock-Out: Each organization may provide 2 players. All players line up behind a free-throw line. The first player will try to make a basket. As soon as the first player shoots the ball, the second player may shoot. Once the first player makes the basket, he gives it to the third player and goes to the end of the line. If the player who starts after the other makes it before his opponent, the first player is out. Last player standing wins. It is best if two players from the same organization do not line up next to each other.

1st Place-15 Points  2nd Place-12 Points  3rd Place-10 Points  Participation-9 Points

February 26–Washers Tournament: Organization will provide two players. Players from opposing teams shoot toward the same box. The team that scored last goes first, throwing all 3 washers. Points are added up for all washers made. If both players get a washer in the middle or in the box, they cancel each other. Points are made by tossing washers into box (one point) or in the center (three points). First team to 10 wins.

1st Place-15 Points  2nd Place-12 Points  3rd Place-10 Points  Participation-9 Points

March 4–Frozen T-Shirt Contest: After the song and skit, each organization will be handed a knotted up frozen t-shirt. The object of the game is to untie the shirt without using any outside tools. The first team to put the t-shirt on one of their members wins.

1st Place-15 Points  2nd Place-12 Points  3rd Place-10 Points  Participation-9 Points

March 11–Steeple Chase: Each organization will provide a team of at least 4 participants. This will be a relay style race where participants must run to checkpoints around campus and complete the tasks asked of them. The team with the best time wins.

1st Place-15 Points  2nd Place-13 Points  3rd Place-11 Points  Participation-10 Points
Snake Invasion will occur March 7-March 9 from 9am-4pm. It will be located in two separate “snake pits” on campus. This will be a competition between organizations to see who will collect the most snakeheads per first year member. Your snake pit “score” will be determined by the following formula:

\[
\text{Score} = \frac{\text{#Snake Heads} - \text{#New Members}}{\text{#New Members}}
\]

Points will be distributed as follows.

- 1st place – 150 points
- 2nd place - 130 points
- 3rd place - 110 points
- 4th place - 90 points
- 5th place - 70 points
- Participation – 50 points

You will also earn 5 points per “score” for a maximum of 50 points. If organizations achieve a score greater than 10 (more than 11 snake heads per new member), Bonus Points will be awarded, but it will not be proportional to the formula.

Snake Invasion Criteria:

1. The Snake Invasion tradition is designed for the first year members of an organization; however older members are allowed to participate as well.
2. In order to enter in the snake pit the first year member must possess a Shillelagh or Walking Stick with the following specifications:
   - Must be two-thirds the height as the bearer (three feet tall minimum for walking sticks)
   - Thickness at the base larger than the grip of the possessor’s hands (does not apply to walking sticks)
   - Ability to stand on its own (does not apply to walking sticks)
   - Artwork containing:
     - 3 shamrocks (3 leaves, NO 4 LEAFED CLOVERS)
     - 2 snakes
     - Organization name, (including chapter name for fraternities and sororities).
     - The words/year: “108th Annual Best Ever St. Pats 2016”
     - At least one carving
3. In order to “kill” a snake, the participant must hit the snake with their Shillelagh/Walking Stick until a St. Pats representative informs the participant the snake is “dead.” At that point the participant will proceed to remove the head of the snake by any means necessary.
4. There are no definite rules determining when the snake is dead. However, the following criteria will assist in that determination by the St. Pats representative:
a. Quality of artwork on Shillelagh
b. Size of Shillelagh
c. Quality of hits made on the snake
d. Yelling of the correct responses to questions asked by the representative:
   1.) Q. Who do you love? A. St. Pats!
   2.) Q. What do you hate? A. Snakes!
   3.) Q. What makes the grass grow green? A. Blood! Blood! Blood!

5. The following criteria may keep snakes alive for indefinite periods of time.
   a. Incorrect responses to St. Pats trivia questions (or other campus-related questions) asked by the representative.
   b. Gray colored Shillelaghs
   c. Green Shillelaghs have traditionally been reserved for St. Pats baby reps.

6. Snakeheads must be kept in order to receive credit. The “Head Count” will take place on Thursday, March 10 at Noon-4:00pm in Room 210 (Meramec Room) in the Havener Center.
   a. An organization representative must bring the collected snakeheads from all the first year members. A St. Pats representative will be there to count and verify the number of snakeheads. One snakehead per member is required for participation.
   b. The number of snakeheads presented is based on the honor system. St. Pats reserves the right to disqualify organizations based on suspicion of cheating.
Follies will take place on Monday, March 14 and Tuesday, March 15 at the Puck and Wednesday, March 16 after Court Arrival at the downtown Band Shell. Each individual event’s points will be awarded separately. First place points in each event will be equal to the 300 maximum points available (100 per day). Follies events will only award points for placing 1st through 5th place. There will be no points awarded for participation. The only exception will be for Show Shillelagh and Show Walking Stick. There will be a total of 13 events.

The five Monday events will be Green Merchandise, St. Pats Limerick, Top Ten List, Crazy Beard, and Greenest Person. The Court of St. Patrick will be responsible for judging all of Monday’s events. The result of the judging will determine 1st through 5th place. The five Tuesday events will be Most Sweatshirts in a Minute, Most Garters in a Minute, “Fatal Vision” Pie Toss, Pin the Dancing Shamrock on the St Pats Representative, and Shamrock Toss. All of Tuesday’s events will be judged by representatives of the St. Pats Committee. Wednesday’s events will include Leprechaun Look-A-Like, Vintage Merchandise, Show Shillelagh, and Show Walking Stick.

Written material or behavior that is deemed inappropriate or unacceptable by the university or by St. Pats will result in disqualification or ineligibility to receive points, determined by the St. Pats Committee.

Any outfits or costumes worn during Follies must conform to university standards for decency. Competitors who are deemed to be dressed inappropriately will be asked to change or face disqualification.

Traditionally on the Monday and Wednesday of Follies, participants precede their presentation with some type of joke. All jokes that will be told by individuals on the puck or band shell MUST BE SUBMITTED TO THE ST PATS COMMITTEE by February 29. Content will be reviewed by the St. Pats committee and student life and it will be up to their discretion whether or not it will be allowed. Any significant divergence from the content submitted will result in loss of points and possible disqualification. If you fail to submit your jokes and entries, YOU WILL NOT BE ALLOWED ON THE PUCK OR THE BANDSHELL.

St. Pats reserves the right to disqualify organizations for not adhering to the events’ rules. The Individual event rules follows:

St. Pats at MST is a tradition over 100 years in the making. As such, it is important that organizations do their part to help preserve and further one of Missouri’s longest running St. Patrick’s Day celebrations. The honor of being nominated as either a student Queen or Knight is one of the most important parts of that tradition. Organizations will receive 50 points for nominating a Queen candidate and 30 points for nominating a student Knight. Knights who are inducted into the Order of the Snake will be worth an additional 20 points. The criteria for induction will be given to Knights as a part of their informational sessions. No extra points will be awarded for your organization’s queen candidate winning the queen’s crown or placing as a runner-up. The due date for nominating a Queen or Knight will be November 19, 2015. Although late nominations will be considered, it is STRONGLY ENCOURAGED that nominations and payment be turned in by that time. All Queens and Knights will be required to attend the coronation ceremony held on Friday, March 18, 2016 at 9:00 PM in Leach Theater in order to earn points.

More information regarding Queens and Knights and all forms required may be found online at: http://stpats.mst.edu/events/queenknight.html.

The week of St. Pats requires a tremendous amount of effort on the part of the St. Pats board, and is only made possible through your organization’s continued membership and involvement in St. Pats. As such, we will be awarding 50 points to any organization with at least one active member on the St. Pats Board (baby, junior, senior rep) at the time of St. Pats week. Furthermore, any organization with two active members of the St. Pats Board will be eligible to receive an additional 50 points. Active members of the St. Pats Board are not eligible to compete in any events. If you are interested in joining St. Pats or know somebody who may be interested in representing your organization, please contact our recruitment chair, Cairon Washington at cdwzrc@mst.edu.

*Any organization is eligible to receive full points for this event.

The St. Pats Parade takes place on Saturday, March 19 at 11 am on Pine Street in Downtown Rolla. In order to be eligible for reimbursements and receive points for Float and Parade a float or non-float must be entered, approved, and paraded down Pine Street.

To enter a float or non-float each organization must first submit their (non-)float concept/title to Trevor Gehlert, either during the scheduled float sign ups Friday, February 5th or after by email. More information will be sent out about the float sign ups when it gets closer. The concept/title must be in adherence to the 2016 theme “St. Pats Goes to the Movies.” In the case of two or more organizations entering the same concept, it will be decided on a first come first served basis, however, float concepts will have preference over non-float concepts. Once the concept is approved organizations must fill out the entry form attached at the end of this packet by Friday, February 12, 2016. Once the entry form is turned in and approved, your organization will be sent information regarding line-ups and other day of parade information. In order for a float to be entered and approved it must meet the following criteria:

- Maximum dimensions for float: 13 feet high (ground to highest point), 15 feet wide, and any length.
- Floats must denote the float title, the organization name, and the University’s name (Missouri University of Science and Technology NOT MST). This can be in a sign or poster carried by people preceding the float. The Float must also have room on the pulling vehicle for a number to be taped for easier judging.
- A pair of boards must be attached to either side of the tow vehicle on which appropriate advertising will be displayed in a clear and legible fashion. St. Pats will supply the advertising boards with dimensions of 4 ft. high and 8 ft. long.
- If the float fails (falls apart or becomes immobile) during the parade, the organization will not be eligible for points or reimbursements.
- There shall be no people on the float itself with the exception of the queen’s float.
- There shall be no alcohol on the float.
- There shall be no co-floats.
- If a member of the organization is convicted of any infraction of Rolla City ordinances during the parade, the organization will not be eligible for points or reimbursements.

While in the parade the floats will be judged by distinguished members of the Missouri S&T and Rolla community. They will use the following criteria to judge the floats:

- Originality
- Workmanship
- General Effect
- Adherence to the theme, parade route, starting time
- A moving part is not required but will be looked highly upon by the judges.
Your organization can be refunded up to $200 for expenses needed to build your float. In order to receive your refund you must return your parade boards that we will assign to each float in the same condition you received them and you must return your judging number sign. Also, you must turn in any receipts for expenses you would like reimbursed. If there is anything not relating to your float on the receipt, we cannot refund it. Everything required for your refund must be turned in by Saturday March 26, 2016.

The organization with the first place float will have the option to build the next year’s Queens’ Float. If all the criteria are met for the Queens’ Float that organization will automatically be awarded 200 points unless the Queen’s Float places in the parade in which case the organization will receive the placement points plus 50 additional points. For example 1st Place will receive a total of 300, 2nd 250, and 3rd 225. First place in 2015 was awarded to Beta Sigma Psi; they have the option to build the 2016 queen’s float.

Organizations who decide not to build a float have the option of participating in the Parade by entering a non-float. The non-float must adhere to the theme and be approved by Trevor Gehlert. The non-float will not be judged and will only be awarded the non-float points. The point breakdown will be as follows:

1st place – 250 points
2nd place - 200 points
3rd place - 175 points
Float Participation - 150 points

We at St. Pats volunteer a great amount of our time to make sure that this campus receives the best ever St. Pats celebration. Because of you and the support of this campus we are going to be celebrating St. Pats for the 108th year. We are asking for your help, to make sure that our 10-day event succeeds once again.

The St Pats Grateful Board Concert is an ongoing tradition of St Pats at Missouri S&T. Everyone, town and campus alike, is encouraged to join the Board for an afternoon of food, fun, and live music. Bands featured in the past have included Chevelle, Reel Big Fish, Red Jumpsuit Apparatus, Mutemath, Middle Class Rut, Motion City Soundtrack, the Urge, and The Schwag. Music and fun starts after the St Pats Parade.

This is an event that requires volunteers. Many will come from this year's collaborating organizations, though any interested in helping out would be appreciated. Volunteers are eligible for service hours, pending approval of their organization's service chair. Volunteer slots are available from Friday afternoon to Saturday evening. Interested parties should contact the St Pats Concert Chair, Auguste Cribbs.
