Overview

Since 1908, St. Pat’s has been Rolla’s unique community celebration. For the vast majority of our alumni, memories of St. Pat’s are the first thing they talk about when they get together. Again in 2018, the St. Pat’s Board is planning an exciting series of events designed to ensure that the students of Missouri S&T experience the important role that a healthy social dimension plays in the success of human enterprise. This celebration has been a rich tradition on this campus for over 100 years. The St. Pat’s Board volunteers a great amount of time to ensure that this campus receives the Best Ever St. Pat’s celebration and carries on the tradition every year. Because of your organization and the support of this campus, we will be celebrating St. Pat’s for the 110th year! Participation in St. Pats ensures that the members of your organization share in this experience and keep the tradition alive and going. The more you participate, the more fully your members will build fond memories of their own days at S&T and associate those great memories with your organization and this campus. This packet contains all the information you will need to plan your organization’s participation. With your help, we can make sure this year’s celebration with the theme, “St. Pats at High Noon” will be the Best Ever!

Greenly,

Mason George

*Other prizes may be awarded as well for various events
The annual Games Meeting will be on Wednesday, January 31st at 6:30 p.m. in the Meramec-Gasconade room of Havener. We will go over everything relating to participating in the St. Pats Competition. It is very important that each organization’s St. Pat’s Chair attends this meeting, as it will be worth **50 points**.

Also, in honor of being a St. Pats chair, for your hard work and dedication, if your organization participates in a large majority of events leading up to day 2 of Follies, you may receive one special edition St. Pats Games Greeked Sweatshirt free of charge. Below is the Games Greek design from last year.
On Wednesday, January 24th, there will only be 50 Daze remaining until the 110th Annual St. Pats celebration. On this day, we will be hosting a trivia night in the St. Pat’s Ballroom at 6:30 p.m. It will consist of three rounds of ten questions each:

- Round 1: General Trivia (10 Questions)
- Round 2: Missouri S&T Trivia (10 Questions)
- Round 3: St. Pats Trivia (10 Questions)

Each question is worth three points toward your overall St. Pats score for a total of 90 points. An additional 10 points will be awarded to the winning team as well as 30 points to be awarded to all organizations that participate. You will earn 10 points if your team has at least one faculty member participating. 10 points will be rewarded to every team that scores more points than the 2018 St. Pats Senior rep class. Various prizes for winning each round and winning overall will be giving out during the event. There will also be a raffle and refreshments. Limit of 10 people per team.

Blood Drive & Bone Marrow Registry
The Annual St. Pats Blood Drive and Bone Marrow Registry will occur from Tuesday, January 30th through Friday, February 2nd from 11am until 5pm each day in the St. Pat’s Ballroom A&B.

In order to be eligible to earn points, you must send your organization’s roster to the St. Pats Participation Chair (mjg7wb@mst.edu) by Monday January 29th.

The points will be based on the percent of the organization members participating. Participation is defined as attempting to give blood or volunteering to work the event for an hour. Be sure to have members sign in with the St. Pats representative at the event. The percentage and points are broken down as follows:

90-100% participation-90 points
75-89% participation-70 points
50-74% participation-50 points
1%-49%-30 points
0%-0 points

Canned Food Drive
When your members show up to the blood drive, cans must be given to the St. Pats Representative working the sign-in table. Points for this event are broken down as follows:

Most Cans Donated per Member – 60 points
4+ Cans per Member – 40 points
3-4 Cans per Member – 30 points
2-3 Cans per Member – 20 points
Any Participation – 15 points
This year the St. Pat’s Board will be holding our second annual Shamrock Hunt on campus on **Friday, March 2nd from 3pm until 4pm.** All participants must arrive at the Puck before 3pm to play. A ticket must be purchased at the box to be able to participate, each ticket costs $5. There will be a maximum of 200 points that may be earned.

- **100 points** will be given to organizations with 35% or more attendance
- **50 points** for attendance between 20% and 34%
- **25 points** for attendance 19% or less.

An additional **100 points** may be earned through trivia questions. There will be paper shamrocks hidden in 10 locations. They may be turned in to the Board Rep at that location to play a trivia game. Each paper shamrock will come with three questions. Two out of the three questions must be answered correctly to earn **10 points** at each location. Questions will be hard to answer, but not impossible. Answers to questions may be found on the St. Pat’s website, but many answers are going to be found by conversing with members of the St. Pat’s Board. It is highly recommended that organizations go to the Box and ask questions about the Junior Rep’s Committees.

Sample Questions:

- ♣ Who was last year’s Queen of Love and Beauty?
- ♣ How many people are currently in the Junior Rep class?
- ♣ What is the Sunny Wall?
- ♣ Who was St. Pat last year?

Along with the trivia questions: smaller, numbered shamrocks will be hidden inside the buildings. Finding one of these is limited to one per person. They can be exchanged for Vintage Merchandise at the Puck at the end of the Shamrock Hunt.
Every year, members of fraternities, sororities, other social and service organizations, communities, and academic departments come up with a design to get printed on the back of their St. Pat sweatshirts to represent the organization they are a part of (commonly referred to as “Sweatshirt Greeks.”) This is your chance to show off your organization and win points for your elaborate designs!

Your designs will be judged based on the following criteria

♦ Quality and Uniqueness
♦ How well it ties into the theme: “St. Pats at High Noon”
♦ How well it ties into your organization or community (i.e. Flags, Logos, Crests, Phrases, etc.)
♦ General Appeal

Organizations will place 1st through 5th based upon the judging. Point Breakdown:

1st place – 150 points
2nd place – 130 points
3rd place - 120 points
4th place – 110 points
5th place – 100 points

Participation - 90 points

Organizations should provide a designated member to be in charge of ordering sweatshirts. An order must be placed by contacting Peter Doran at pkdcn3@mst.edu with your design by February 26th, 2018 for your entry to be considered.

**If your design contains any direct references to illegal drugs, contains any copyright infringements or trademarks, or contains anything that can be considered offensive to a specific race, gender, ethnicity, religion, nationality, or sexual orientation, your design will immediately be disqualified from the contest.

For the second consecutive year, we are hosting a Greenest House Competition to allow even more ways for organizations to show off their St. Pat’s Pride. Let’s “green out” Rolla with green Christmas lights, St. Pat’s themed yard decorations, etc. Judging will begin Friday, March 16th. Any house that does not have the majority of their decorations on display by Thursday, March 8th will be docked points.

Judging will be based on which house is the greenest and most creatively decorated. If your organization does not have a house, you will have the option to decorate a member’s house. Residential hall associations and communities may decorate their floors, balconies, and any other region of the dormitory granted they have permission to do so.

Games

Following the song during Green Friday, organizations have a chance to collect points by competing in games.

January 26th: Three Legged Race: Each organization will have two members represent them as a team. The teams will have to tie their inner legs to each other and they will be timed for how long it takes for them to travel 30 yards across Havener Lawn. The team with the lowest time wins.

1st Place-15 Points  2nd Place-13 Points  3rd Place-11 Points  Participation-10 Points

February 2nd: “Pole”ish Horseshoe Tournament: Each organization will provide 2 participants that will be standing at a pole with a water bottle placed on top. The opposing team will stand 20 feet away next to a similar pole. Teams will take turns throwing a Frisbee to knock the opposite water bottle off its pole. The other team will attempt to catch the Frisbee and the bottle if it is knocked off. Each item hitting the ground is worth a point. The winner will be decided by having the most points within 7 minutes.

1st Place-15 Points  2nd Place-13 Points  3rd Place-11 Points  Participation-10 Points

February 9th: Fifth Wheel: Teams will consist of 5 members of the organization. Four of the members will run a relay around Havener Lawn, while carrying the fifth member. The 4 members of the team will pass off the carried member at each station to complete the race. If the carried member touches the ground once, the team will have to start over. The fastest team wins.

1st Place-15 Points  2nd Place-13 Points  3rd Place-11 Points  Participation-10 Points

February 16th: Sweatshirt Long Toss: One member must toss a St. Pats sweatshirt as far as they can from the set starting point. The organization that can throw the sweatshirt the farthest wins the game. You must bring your own sweatshirt, any size works except youth size.

1st Place-15 Points  2nd Place-13 Points  3rd Place-11 Points  Participation-10 Points

February 23rd: Knock-Out: Each organization may provide 2 players. All players line up behind a free-throw line. The first player will try to make a basket. As soon as the first player shoots the ball, the second player may shoot. Once the first player makes the basket, he gives it to the third player and goes to the end of the line. If the player who starts after the other makes it before his opponent, the first player is out. Last player standing wins. It is best if two players from the same organization do not line up next to each other.

1st Place-15 Points  2nd Place-13 Points  3rd Place-11 Points  Participation-10 Points

March 2nd: Washers Tournament: Organization will provide two players. Players from opposing teams shoot toward the same box. The team that scored last goes first, throwing all 3 washers. Points are added up for all washers made. If both players get a washer in the middle or in the box, they cancel each other. Points are made by tossing washers into box (one point) or in the center (three points). First team to 10 wins.

1st Place-15 Points  2nd Place-13 Points  3rd Place-11 Points  Participation-10 Points

1st Place-10 Points  2nd Place-8 Points  3rd Place-6 Points  Participation-5 Points
Snake Invasion

Max Points

Snake Invasion will occur March 5th - March 7th from 9am-4pm. The ‘snake pit” will be located on campus in front of the library. This will be a competition between organizations to see who will collect the most snakeheads per first year member.

In order to be eligible to earn points, you must send your organization’s roster to the St. Pats Participation Chair (mjg7wb@mst.edu) by Thursday March 4th.

Points will be distributed as follows.

1st place – 150 points
2nd place - 140 points
3rd place - 130 points
4th place – 120 points
5th place – 110 points
Participation – 100 points

If organizations gather more than 5 snake heads per first year member, then 30 points will be awarded. If members gather more than 10 snake heads per new member an additional 20 points will be awarded.

Snake Invasion Criteria:

1. The Snake Invasion traditionally is for the first year members of an organization; however older members are allowed to participate as well.
2. In order to enter in the snake pit the first year member must possess a Shillelagh or Walking Stick with the following specifications:
   - Must be two-thirds the height as the bearer (three foot tall minimum for walking sticks)
   - Thickness at the base larger than the grip of the possessor’s hands (does not apply to walking sticks)
   - Ability to stand on its own (does not apply to walking sticks)
   - Artwork containing:
     - 3 shamrocks (NO 4 LEAFED CLOVERS)
     - 2 snakes
     - Organization name, (including chapter name for fraternities and sororities).
     - The words/year: “110th Annual Best Ever St. Pats 2018”
     - At least one carving
3. In order to “kill” a snake, the participant must hit the snake with their Shillelagh/Walking Stick until a St. Pats representative informs the participant the snake is “dead.” At that point the participant will proceed to remove the head of the snake by any means necessary.
4. There are no definite rules determining when the snake is dead. However, the following criteria will assist in that determination by the St. Pats representative:
   - Quality of artwork on Shillelagh
   - Size of Shillelagh
   - Quality of hits made on the snake
   - Yelling of the correct responses to questions asked by the representative:
     1. Q. Who do you love? A. St. Pats!
     2. Q. What do you hate? A. Snakes!
     3. Q. What makes the grass grow green? A. Blood! Blood! Blood!

5. The following criteria may keep snakes alive for indefinite periods of time.
   - Incorrect responses to St. Pats trivia questions (or other campus-related questions) asked by the representative.
   - Gray colored Shillelaghs
   - Green Shillelaghs have traditionally been reserved for St. Pats baby reps.

6. Snakeheads must be kept in order to receive credit. The “Head Count” will take place on Thursday, March 8th at Noon-4:00pm in Room 210 (Meramec Room) in the Havener Center.
   - An organization representative must bring the collected snakeheads from all the first year members. A St. Pat’s representative will be there to count and verify the number of snakeheads. **Failure to turn in at least 1 snake head per first year member could result in penalization**
   - The number of snakeheads presented is based on the honor system. St. Pats reserves the right to disqualify organizations based on suspicion of cheating.
Follies

Follies will take place on Monday, March 12th, Tuesday, March 13th at the Puck, and Wednesday, March 14th after Court Arrival at the downtown Band Shell. Each individual event’s points will be awarded separately. First place points in each event will be equal to the 300 maximum points available (100 per day). Follies events will only award points for placing 1st through 5th place. There will be a total of 13 events. The Court of St. Patrick will be responsible for judging all of Monday’s events.

Any outfits or costumes worn during Follies must conform to university standards for decency. Competitors who are deemed to be dressed inappropriately will be asked to change or face disqualification.

Traditionally on the Monday and Wednesday of Follies, participants precede their presentation with some type of joke. St. Pats at S&T is a tradition that has existed for over 100 years. As such, it is important that organizations do their part to help preserve and further one of Missouri’s longest running St. Patrick’s Day celebrations. The honor of being nominated as either a student Queen or Knight is one of the most important parts of that tradition. Organizations will receive 50 points for nominating a Queen candidate and 30 points for nominating a student Knight. Knights who are inducted into the Order of the Snake will be worth an additional 20 points. The criteria for induction will be given to Knights as a part of their informational sessions. No extra points will be awarded for your organization’s queen candidate winning the queen’s crown or placing as a runner-up. The due date for nominating a Queen or Knight will be November 29, 2017.

Although late nominations will be considered, it is strongly encouraged that nominations and payment be turned in by that time. All Queens and Knights will be required to attend the coronation ceremony held on Friday, March 16, 2018 at 9:00 PM in Leach Theater in order to earn points.

Over the years as nominations have grown, and space on the stage is limited, we’ve had to eliminate other parts of the ceremony. To resolve this and uphold the traditions, this year there will be a prescreening to determine which candidates will have the honor to take the stage during the ceremony. This prescreening will be decided by participation in various events that you may be notified about by the Queens & Knights Chair. None of these events will be mandatory, but it is important that you participate and represent your organization at these different functions. For those that will not be on stage, there will be reserved seating in front of the theatre and will still be honored during the ceremony.

The week of St. Pats requires a tremendous amount of effort on the part of the St. Pat’s Board, and is only made possible through your organization’s continued membership and involvement in St. Pats. As such, we will be awarding 50 points to any organization per active member on the St. Pat’s Board (baby, junior, senior rep) during the week of St. Pats, with a limit of 100 points possible. Active members of the St. Pat’s Board are not eligible to compete in any events.

- **Knight** 30 points
  - (Order of the Snake) 20 points
- **Queen** 50 points
- **St. Pats representative** 50 points for each active rep (maximum of 2)

If you are interested in joining St. Pats or know somebody who may be interested in representing your organization, please contact our recruitment chair, Jeremy Clarkson, he can be reached at jpc8vb@mst.edu.
The St. Pats Parade takes place on Saturday, March 17th at 11 am on Pine Street in Downtown Rolla. In order to be eligible for reimbursements and receive points for Float and Parade a float or non-float must be entered, approved, and paraded down Pine Street.

To enter a float or non-float each organization must first submit their (non-)float concept/title to Ed Mueller, either during the scheduled float sign ups Friday, February 5th or after by email. More information will be sent out about the float sign ups when it gets closer. The concept/title must be in adherence to the 2018 theme “St. Pats at High Noon”. In the case of two or more organizations entering the same concept, it will be decided on a first come first served basis, however, float concepts will have preference over non-float concepts. Once the concept is approved organizations must submit an entry form by Friday, February 9th, 2018. Once the entry form is turned in and approved, your organization will be sent information regarding line-ups and other day of parade information. In order for a float to be entered and approved it must meet the following criteria:

- Maximum dimensions for float: **13 feet high** (ground to highest point), **15 feet wide**, and any length.
- Floats must denote the float title, the organization name, and the University’s name (Missouri University of Science and Technology). This can be in a sign or poster carried by people preceding the float. The Float must also have room on the pulling vehicle for a number to be taped for easier judging.
- A pair of boards must be attached to either side of the tow vehicle on which appropriate advertising will be displayed in a clear and legible fashion. St. Pats will supply the advertising boards with dimensions of 4 ft. high and 8 ft. long.
- If the float fails (falls apart or becomes immobile) during the parade, the organization will not be eligible for points or reimbursements.
- There shall be no people on the float itself with the exception of the queen’s float.
- There shall be no alcohol on the float.
- There shall be no co-floats.
- If a member of the organization is convicted of any infraction of Rolla City ordinances during the parade, the organization will not be eligible for points or reimbursements.

While in the parade the floats will be judged by distinguished members of the Missouri S&T and Rolla community. They will use the following criteria to judge the floats:

- Originality
- Workmanship
- General Effect
- Adherence to the theme, parade route, starting time
- A moving part is not required but will be looked highly upon by the judges.
Your organization can be refunded up to $200 for expenses needed to build your float. In order to receive your refund you must return your parade boards that we will assign to each float in the same condition you received them and you must return your judging number sign. Also, you must turn in any receipts for expenses you would like reimbursed. If there is anything not relating to your float on the receipt, we cannot refund it. Everything required for your refund must be turned in by **Saturday March 24th, 2018**.

The organization with the first place float will have the option to build the next year’s Queens’ Float. If all the criteria are met for the Queens’ Float that organization will automatically be awarded **200 points**. If the Queen Float places 1st, 2nd, or 3rd it will be worth additional points. If the Queens Float receives 1st place, it will instead be awarded **300 points**. If the Queens Float receives 2nd place, it will be awarded **250 points**, and a 3rd place Queens Float will be awarded **225 points**. Last year, first place float was awarded to Sigma Tau Gamma, so they have the option to build the 2018 Queens’ Float.

Organizations who decide not to build a float have the option of participating in the Parade by entering a non-float. The non-float must adhere to the theme and be approved by Ed Mueller. The non-float will not be judged and will only be awarded the non-float points. The point breakdown will be as follows:

- **1st place – 250 points**
- **2nd place - 200 points**
- **3rd place - 175 points**
- **Float Participation - 150 points**
- **Non-Float Participation - 100 points**
The St Pats Grateful Board Concert is an ongoing tradition of St Pats at Missouri S&T.
