Overview

Since 1908, St. Pat’s has been Rolla’s unique community celebration. For the vast majority of our alumni, memories of St. Pat’s are the first thing they talk about when they get together. Again in 2020, the St. Pat’s Board is planning an exciting series of events designed to ensure that the students of Missouri S&T experience the important role that a healthy social dimension plays in the success of human enterprise. This celebration has been a rich tradition on this campus for over 100 years. The St. Pat’s Board volunteers a great amount of time to ensure that this campus receives the Best Ever St. Pat’s celebration and carries on the tradition every year. Because of your organization and the support of this campus, we will be celebrating St. Pat’s for the 112th year! Participation in St. Pat’s ensures that the members of your community, old or new, large or small, share in this experience and keep the tradition alive and going. The more you participate, the more your members will build fond memories of their own days at S&T and associate those great memories with your organization and this campus. This packet contains all the information you will need to plan your organization’s participation. This year’s theme “St. Pat’s in the Roaring 20’s” draws inspiration from some your favorite cultural pieces that originated from around the decade that brought us Jazz, Flappers, and the Harlem Renaissance. With your help, we can make sure this year’s celebration will truly be the Best Ever!

Greenly,
Mason Middleton

The annual Games Meeting will be on **Tuesday, January 21st**, at 7:00 p.m. in the **Carver-Turner** room of Havener. We will go over everything relating to participating in the St. Pat's Competition. It is very important that each organization’s St. Pat’s Chair attends this meeting, as it will be worth **70 points**.

Also, in honor of being a St. Pat's chair, for your hard work and dedication, if your organization participates in a large majority of events leading up to day 2 of Follies, you may receive one special edition St. Pat's Games Greeked Sweatshirt free of charge. Below is the Games Greek design from 2018.
On **Wednesday, January 22**nd, there will only be 50 Daze remaining until the 112th Annual St. Pat's celebration. On this day, we will be hosting a trivia night in the **St. Pat’s Ballroom** at 6:30 **p.m.** It will consist of three rounds of ten questions each:

- ♦ **Round 1: General Trivia (10 Questions)**
- ♦ **Round 2: Missouri S&T Trivia (10 Questions)**
- ♦ **Round 3: St. Pat's Trivia (10 Questions)**

Each question is worth three points toward your overall St. Pat's score for a total of **90 points**. An additional **10 points** will be awarded to the winning team as well as **30 points** to be awarded to all organizations that participate. You will earn **10 points** if your team has at least one faculty member participating. **10 points** will be rewarded to every team that scores more points than the 2020 St. Pat's Senior rep class. Various prizes for winning each round and winning overall will be giving out during the event. There will also be a raffle and refreshments. **Limit of 10 people per team.**
Blood Drive & Bone Marrow Registry

The Annual St. Pat's Blood Drive and Bone Marrow Registry will take place from January 28th - January 31st from 11:00 a.m. to 5:00 p.m. in St. Pat’s Ballroom A & B. If you have any questions, contact Adam McTigue at amm825@mst.edu.

In order to be eligible to earn points, you must send your organization’s roster to the St. Pat's Participation Chair (Mason Middleton) by Monday January 21st.

The points will be based on the percent of the organization members participating. Participation is defined as attempting to give blood or volunteering to work the event for an hour. Every year, members of fraternities, sororities, other social and service organizations, communities, and academic departments come up with a design to get printed on the back of their St. Pat’s sweatshirts to represent the organization they are a part of (commonly referred to as “Sweatshirt Greeks.”) This is your chance to show off your organization and win points by having the best sweatshirt greek design!

Your designs will be judged based on the following criteria

- Quality and Uniqueness
- How well it ties into the theme: “St. Pat’s in The Roaring 20s”
- How well it ties into your organization or community (i.e. Flags, Logos, Crests, Phrases, etc.)
- General Appeal

Organizations will place 1st through 5th based upon the judging. The Point Breakdown is as follows:

1st place – 150 points
2nd place – 130 points
3rd place - 120 points
4th place – 110 points
5th place – 100 points
Participation - 90 points

Organizations should provide a designated member to be in charge of ordering sweatshirts. An order must be placed by contacting Alexander Martin at ammqzd@mst.edu with your design by February 7th, 2020 Any order including sweatshirt Greeks will automatically be entered into the contest. If you handle your own orders, you must send your design to Alexander Martin by February 7th, 2020 to be entered in the contest.

**If your design contains any direct references to illegal drugs, contains any copyright infringements or trademarks, or contains anything that can be considered offensive to a specific race, gender, ethnicity, religion, nationality, or sexual orientation, your design will immediately be disqualified from the contest.
Throughout the month of March, Rolla noticeable gets a lot greener as the celebration draws nearer. The entire community shows off their excitement and anticipation by wearing their St. Pat’s Green. For the third consecutive year, we are hosting a Greenest House Competition to allow even more ways for organizations to show off their St. Pat’s Pride. Let’s “green out” Rolla with green Christmas lights, St. Pat’s themed yard decorations, etc. Judging will begin **Friday, March 13th**. Any house that does not have the majority of their decorations on display by **Thursday, March 5th** will be docked points.

Judging will be based on which house is the greenest and most creatively decorated. If your organization does not have a house, you will have the option to decorate a member’s house. Residential hall associations and communities may decorate their floors, balconies, and any other region of the dormitory granted they have permission to do so.

Snake Invasion will occur March 2nd - March 4th from 9 a.m.-4 p.m.. The “snake pit” will be located on campus in front of the library. This will be a competition between organizations to see who will collect the most snakeheads per first year member. The specifications for Shillelaghs and walking sticks have changed, please read the criteria portion. However the change may be, it is strongly encouraged for an organization to stick with their own traditions as well when it comes to choosing and making a Shillelagh/Walking Stick.

In order to be eligible to earn points, you must send your organization’s roster to the St. Pat's Participation Chair (mampkd@mst.edu) by Thursday February 27th.

Points will be distributed as follows:

- 1st place – 200 points
- 2nd place - 180 points
- 3rd place - 160 points
- 4th place – 140 points
- 5th place – 120 points
- Participation – 100 points

If organizations gather more than 5 snakeheads per first year member, then 30 points will be awarded. If members gather more than 10 snakeheads per new member an additional 20 points will be awarded.

Snake Invasion Criteria:

1. The Snake Invasion traditionally is for the first year members of an organization; however older members are allowed to participate.
2. In order to enter in the snake pit the first year member must possess a Shillelagh or Walking Stick with the following specifications (These specifications have changed; please read them carefully):
   - Must be AT LEAST shoulder height to the owner
   - Thickness AT THE BASE larger than the grip of the owner’s hands
   - Ability to stand on its own (does not apply to walking sticks)
   - Artwork containing:
     - 3 shamrocks (NO 4 LEAFED CLOVERS)
     - 2 snakes

     - The words/year: “112th Annual Best Ever St. Pat's 2020”

4. There are no definite rules determining when the snake is dead. However, the following criteria will assist in that determination by the St. Pat's representative:
   ♣ Quality of artwork on Shillelagh
   ♣ **Size of Shillelagh**
   ♣ Quality of hits made on the snake
   ♣ Breaking another shillelagh
   ♣ Yelling of the correct responses to questions asked by the representative:
     1.) **Q.** Who do you love?  **A.** St. Pat's!
     2.) **Q.** What do you hate?  **A.** Snakes!
     3.) **Q.** What makes the grass grow green?  **A.** Blood! Blood! Blood!

5. The following criteria may keep snakes alive for indefinite periods of time.

St. Pat's at S&T is a tradition that has existed for over 100 years. As such, it is important that organizations do their part to help preserve and further one of Missouri’s longest running St. Patrick’s Day celebrations. The honor of being nominated as either a student Queen or Knight is one of the most important parts of that tradition. Organizations will receive 75 points for nominating a Queen candidate and 35 points for nominating a student Knight. Knights who are inducted into the Order of the Snake will be worth an additional 40 points. The criteria for induction will be given to Knights as a part of their informational sessions. No extra points will be awarded for your organization’s queen candidate winning the queen’s crown or placing as a runner-up. The due date for nominating a Queen or Knight will be November 20th, 2019.

Although late nominations will be considered, it is strongly encouraged that nominations and payment be turned in by that time. All Queens and Knights will be required to attend the coronation ceremony held on Friday, March 13th, 2020 at 9:00 p.m. in Leach Theater in order to earn points.

Over the years as nominations have grown, and space on the stage is limited, we’ve had to eliminate other parts of the ceremony. To resolve this and uphold the traditions, this year the candidates will have an allocated section of seats. The winning candidates will be called onto the stage during the ceremony. Participation in various events will be considered for positions. None of these events will be mandatory, but it is important that you participate and represent your organization at these different functions. For those that will not be on stage, there will still be reserved seating in front of the theatre and will still be honored during the ceremony.

The week of St. Pat's requires a tremendous amount of effort on the part of the St. Pat's Board and is only made possible through your organization’s continued membership and involvement in St. Pat's. As such, we will be awarding 60 points to any organization per active member on the St. Pat’s Board (baby, junior, senior rep) during the week of St. Pat's, with a limit of 120 points possible. Active members of the St. Pat’s Board are not eligible to compete in all events. If there are any questions about what active members can participate in contact Mason Middleton at mampkd@mst.edu.
Points Breakdown:

♠ Knight 35 points
  o (Order of the Snake) 40 points
♣ Queen 75 points
♣ St. Pat's representative 60 points for each active rep (maximum of 2)

If you are interested in joining St. Pat's or know somebody who may be interested in representing your organization, please contact our recruitment chair, Roxanne Feliciano, she can be reached at rmfc77@mst.edu.
The St. Pat's Parade takes place on Saturday, March 14th, 2020 at 11 a.m. on Pine Street in Downtown Rolla. In order to be eligible for reimbursements and receive points for Float and Parade a float or non-float must be entered, approved, and paraded down Pine Street.

To enter a float or non-float each organization must first submit their (non-)float concept/title to Adam Robison, either during the scheduled float sign ups Friday, January 31st, 2020 or after by email. More information will be sent out about the float sign ups when it gets closer. The concept/title must be in adherence to the 2020 theme “St. Pat's in The Roaring 20s”. In the case of two or more organizations entering the same concept, it will be decided on a first come first served basis, however, float concepts will have preference over non-float concepts. Once the concept is approved organizations must submit an entry form by Friday, February 7th, 2020. Once the entry form is turned in and approved, your organization will be sent information regarding line-ups and other day of parade information. In order for a float to be entered and approved it must meet the following criteria:

- Maximum dimensions for float: **13 feet high** (ground to highest point), **15 feet wide**, and any length.
- Floats must denote the float title, the organization name, and the University’s name (Missouri University of Science and Technology). This can be in a sign or poster carried by people preceding the float. The Float must also have room on the pulling vehicle for a number to be taped for easier judging.
- A pair of boards must be attached to either side of the tow vehicle on which appropriate advertising will be displayed in a clear and legible fashion. St. Pat's will supply the advertising boards with dimensions of 4 ft. high and 8 ft. long.
- If the float fails (falls apart or becomes immobile) during the parade, the organization will not be eligible for points or reimbursements.
- There shall be no people on the float itself with the exception of the queen’s float.
- There shall be no alcohol on the float.
- There shall be no pyrotechnics on floats.
- There shall be no co-floats.
- If a member of the organization is convicted of any infraction of Rolla City ordinances during the parade, the organization will not be eligible for points or reimbursements.

While in the parade the floats will be judged by distinguished members of the Missouri S&T and Rolla community. They will use the following criteria to judge the floats:

- Originality
- Workmanship
- General Effect
- Adherence to the theme, parade route, starting time
A moving part is not required but will be looked highly upon by the judges.

Your organization can be refunded up to $200 for expenses needed to build your float. In order to receive your refund, you must return your parade boards that we will assign to each float in the same condition you received them, and you must return your judging number sign. Also, you must turn in any receipts for expenses you would like reimbursed. If there is anything not relating to your float on the receipt, we cannot refund it. Everything required for your refund must be turned in by Saturday March 21st, 2020. In addition, there will be a $50 deposit that all organizations are required to pay to be in the parade. Once the parade has passed, the organizations that participated in will be fully refunded for the deposit. The due date for the deposit is Friday February 14th, 2020. All deposits must be turned into Adam Robison. (Make checks out to St. Pat’s Board)

Organizations will receive 25 points for every truck that they bring to the parade, to help carry parade boards. The St. Pat’s Board will provide parade board mounts. Trucks must show up to the parade the same time as the floats. If your trucks are not needed, your organization will still get the t-shirt for showing up. To get the points, you must check in with Adam Robison. More information will be sent out on where the trucks will meet before the parade.

The organization with the first place float will have the option to build the next year’s Queens’ Float. If all the criteria are met for the Queens’ Float that organization will automatically be awarded 200 points. If the Queen Float places 1st, 2nd, or 3rd it will be worth additional points. If the Queens Float receives 1st place, it will instead be awarded 250 points. If the Queens Float receives 2nd place, it will be awarded 225 points, and a 3rd place Queens Float will be awarded 215 points. Last year’s first place float was awarded to Kappa Sigma, so they have the option to build the 2020 Queens’ Float.

Organizations who decide not to build a float have the option of participating in the Parade by entering a non-float. The non-float must adhere to the theme and be approved by Adam Robison. The non-float will not be judged and will only be awarded the non-float points. The point breakdown will be as follows:

1st place – 200 points
2nd place - 180 points
3rd place - 160 points
Float Participation - 140 points
Non-Float Participation - 100 points
Volunteering Opportunity

The St. Pat's Grateful Board Concert is an ongoing tradition of St. Pat's at Missouri S&T. Everyone, town and campus alike, is encouraged to come together for an afternoon of food, fun, and live music following the parade. Talent featured in our past concerts include Reel Big Fish, Red Jumpsuit Apparatus, Shinedown, Middle Class Rut, Puddle of Mudd, Motion City Soundtrack, The Urge, Sick Puppies, The Schwag, Tech N9ne, Bowling for Soup, and 3OH!3.

Volunteers provide tremendous help to the success of our event and also get an inside look of how a concert is set up and run. **Volunteers are eligible for service hours**, pending approval of their organization's service chair. Volunteer slots are available from **Friday afternoon to Saturday evening**. Interested parties should contact the St. Pat’s Concert Chair, **Aaron Ginsparg** for more information. Volunteers are also required to attend the Concert information meeting, which will be on Tuesday, **March 3rd**, at **6:30 p.m.** in the **Meramec room** of Havener.

Volunteers will be provided more information during the meeting. Below is a general breakdown of what volunteers will be doing before, during, and after the concert:

**Before the concert starts:**
- Setting up the stage, perimeter fence, and crowd barricades
- Unloading sound equipment

**During the concert:**
- Security
  - Watching the gate to make sure no glass gets in the area
  - Monitoring the crowd barricades, and city hall doors

**After the concert is over:**
- Clean up trash after the concert
- Tear down fencing, stage, audio equipment

*Note: volunteering will not be for points.*
Investiture & Grand Procession

The St. Pat's Committee would like to invite you to attend the Grand Procession of the St. Pat’s court of the 112th Annual Best Ever St. Pat’s celebration. This is a newer event that began the past year and we would love to see the university community to come and help us grow this event. There will be music and food catered while you wait for the court to be announced and watch them walk down the stairs of the Havener Center. Come out to the Havener Center and enjoy this new tradition on Thursday March 5th, 2020.

*Note: Participating and attending will not be for any points.*
