St. Pat’s Participation
Packet 2021
Overview

Since 1908, St. Pat’s has been Rolla’s unique community celebration. For the vast majority of our alumni, memories of St. Pat’s are the first thing they talk about when they get together. Again in 2021, the St. Pat’s Board is planning an exciting series of events designed to ensure that the students of Missouri S&T experience the important role that a healthy social dimension plays in the success of the human enterprise. This celebration has been a rich tradition on this campus for over 100 years. The St. Pat’s Board volunteers a great amount of time to ensure that this campus receives the Best Ever St. Pat’s celebration and carries on the tradition every year. Because of your organization and the support of this campus, we will be celebrating St. Pat’s for the 113th year! Participation in St. Pat’s ensures that the members of your organization, floor, department, community, or group of friends share in this experience and keep the tradition alive and going. The more you participate, the more your members will build fond memories of their days at S&T and associate those great memories with your organization and this campus. This packet contains all the information you will need to plan your organization’s participation. This year’s theme, “St. Pat’s in Paradise,” draws inspiration from Gulf and Western tradition and relaxing Tropical Destinations. With your help, we can still make sure this year’s celebration will truly be the Best Ever!

Greenly,

Elliot Sutalski

General St. Pat’s Board Safety Plan 2021

Due to the severity of the ongoing Covid-19 pandemic, it is imperative that these guidelines be followed to the best of everyone’s abilities.

The St. Pat’s Board reserves the right to deduct points from or remove any organization or individuals that do not adhere to these guidelines.

Due to the quick changes in coronavirus mandates throughout the community, none of these events detailed are guaranteed to take place and may require additional precautions as situations change. Please pay attention to The St. Pat’s Boards announcements prior to each event with appropriate protocols.

General Safety Precautions

- No temperatures above 100.4 will be tolerated for any reason, however, precautions will begin to be taken at temperatures at 99 or above.
  - Precautions include:
    - Staying home
    - Contacting a healthcare provider to get tested for Covid-19
    - Not being around others until the individual tests negative
- Campus screening must be filled out and green for everyone involved in any event relating to St. Pat’s
- Facial coverings must be worn when one is not eating or drinking

Parade

Being a public event, the parade will be rather difficult to host with zero risks, however, as the St. Pat’s Board, we can do everything we can with those directly involved in the parade to keep them safe while having the parade retain its traditional and historic uniqueness,

- All those intending to be in the parade must check in with the participation representative for St. Pat’s Board with a temperature under 99 as well as a campus screen showing green and a facial covering properly worn.
- If for any reason, an organization refuses to wear facial coverings at any point in the parade, St. Pat’s Board reserves the right to remove them from the parade as well as deduct points from their overall total, regardless of their status prior to the parade.

Green Fridays

- All those who intend to participate in Green Fridays are required to be at least 6 feet away from those not in their immediate organization.
- Those participating are required to have a green campus screen pass to present to St. Pat’s board.
- Facial coverings must always be worn, no exceptions.
**Follies**

- Facial coverings must always be worn.
- Temperatures under 99 are required.
- A green campus screen is required.
- Social distancing will always be followed aside from within an individual organization.
  - As many follies require multiple members of a single organization, those participating will not be required to socially distance themselves from those they are participating with within their organization. However, organizations are required to always stay 6 feet apart. No exceptions.
  - Any organizations seen breaking these rules will be immediately kicked out of the events for the day and their points for the day, regardless of participation, will amount to zero.

**Concert**

As a result of the Coronavirus Pandemic, this year’s concert will not be run the same way as it has in past years.

- The concert will have pods of safety in which groups will be able to take off their masks to eat or drink as well as not socially distance from one another, with no groups amassing over 10 people
  - Masks must be worn when outside of the designated areas, marked off by silver barricades
- Extra pods may be available for the day of the parade, however, this is not guaranteed
  - Parties must register with the St. Pat’s Board prior to the concert to reserve pods for them and their parties
- In order to enter the concert, regardless of a reservation, an acceptable temperature, as well as facial covering, are required.

**Gonzo and Games**

**Games**

- The St. Pat’s Board reserves the right to disqualify any organization that breaks rules during the Gonzo and Games events
- Disqualification from an event will result in zero points for that game, regardless of whether or not the team has participated.
- A Green Campus screen pass and temperature checks will be mandatory prior to beginning the games
- Taking off facial coverings without expressed permission first will result in a disqualification and a resultant points score of Zero for that game.
- All games will be played socially distanced, where possible.
- All games will require facial coverings as well as sanitization of hands.
- Pie Eating Contest
  - One contestant per organization
  - Unmasked only for the eating portion of the competition
  - Must sanitize hands with a St. Pat’s representative prior to competition
**Snake Invasion**

Should any individual or organization not abide by the following rules, they will be promptly escorted from the snake pits and will not be allowed to return until the following day. Should 3 or more members of the same organization break these rules in a day, their organization will be barred from participating until the following day.

- Maximum capacity of 15 people per pit
- Participants must always have a facial covering worn, as well as a green campus screen and a temperature under 99 degrees Fahrenheit to present upon arrival to the snake pits.
- Aside from their immediate organizations, participants must be 6 feet apart from one another. The St. Pat’s Board representatives will be checking walking sticks and shillelaghs for organization names/crests during the event.
- To ensure social distancing, stealing of walking sticks/shillelaghs will not be tolerated within the snake pits, as this would require participants to break social distancing.

**General Disclaimer**

Seeing as social guidelines within the campus, community, and State are constantly changing specific details for social distancing guidelines for each event will be communicated with organizations prior to events.

Below is the Games Greek design for 2021.
On **Wednesday, January 20th**, there will only be 50 Daze remaining until the 113th Annual St. Pat's celebration. On this day, we will be hosting a trivia night via **Virtually over Zoom** at 6:30 p.m. It will consist of three rounds of ten questions each:

Blood Drive

The Annual St. Pat's Blood Drive will take place from January 26th - January 29th from 11:00 a.m. to 5:00 p.m. in Havener Carver Turner Room. If you have any questions, contact Keenan Braun at kmb7pf@mst.edu.

In order to be eligible to earn points, you must send your organization’s complete roster to the St. Pat's Participation Chair (Elliot Sutalski, mvs7f5@mst.edu) by Tuesday, January 19th.

The points will be based on the percentage of the organization’s participating members. Participation is defined as attempting to give blood or volunteering to work the event for an hour. Be sure to have members sign in with the St. Pat's representative at the event. The percentage and points are broken down as follows:

100% participation-120 points
90-99% participation-90 points
75-89% participation-70 points
50-74% participation-50 points
1%-49%-30 points
0%-0 points

Canned Food Drive

When members show up to the blood drive, cans must be given to the St. Pat's Representative working the sign-in table. Can totals for organizations will not be shared. Points for this event are broken down as follows:

Most Cans Donated per Member – 60 points
5+ Cans per Member – 40 points
4-5 Cans per Member – 30 points
3-4 Cans per Member – 20 points
Any Participation – 15 points
Every year, members of fraternities, sororities, social and service organizations, communities, and academic departments come up with a design to get printed on the back of their St. Pat’s sweatshirts to represent the organization they are a part of. These are generally referred to as “Sweatshirt Greeks.” This is the chance to show off an organization and win points by having the best sweatshirt design!

Designs will be judged based on the following criteria

♣ Quality and Uniqueness

♣ How well it ties into the theme: “St. Pat’s in Paradise”

♣ How well it ties into the organization or community (i.e. Flags, Logos, Crests, Phrases, etc.)

♣ General Appeal

Organizations will place 1st through 5th based upon the judging. The Point Breakdown is as follows:

1st place – 150 points
2nd place – 130 points
3rd place - 120 points
4th place – 110 points
5th place – 100 points
Participation - 90 points

Organizations should provide a designated member to be in charge of ordering sweatshirts. An order must be placed by contacting Eliza Drake at ejdvb@mst.edu with the organization design AND number of sweatshirts by January 22nd, 2021. Any order including sweatshirt Greeks will automatically be entered into the contest. All orders must go through The St. Pat’s Board, BSN will not accept individual orders.

Organizations wishing to have greeks printed on sweatshirts that have already been purchased must provide them at the time of ordering. These sweatshirts MUST be labeled with the organization name AND the name of the owner. This will guarantee that the sweatshirt is returned to the correct person.

Orders placed after January 22nd are not guaranteed to be in before the week of St. Pat’s.

**If designs contain any direct references to illegal drugs, contain any copyright infringements or trademarks, or contain anything that can be considered offensive to a specific race, gender, ethnicity, religion, nationality, or sexual orientation, the design will immediately be disqualified from the contest.
Throughout the month of March, Rolla noticeably gets a lot greener as the celebration draws nearer. The entire community shows off their excitement and anticipation by wearing their St. Pat’s Green. For the fifth consecutive year, we are hosting a “Greenest House” Competition to allow even more ways for organizations to show off their St. Pat’s Pride. Let’s “green out” Rolla with green Christmas lights, St. Pat’s themed yard decorations, etc. Judging will begin Friday, March 12th. Any house that does not have the majority of their decorations on display by Thursday, March 4th will be docked points.

Judging will be based on which house is the greenest and most creatively decorated. If an organization does not have a house, it will have the option to decorate a member’s house. Residential hall associations and communities may decorate their floors, balconies, and any other region of the dormitory granted that they have permission to do so. Please notify the St. Pat’s participation chair of your intent to decorate by Monday, March 1st. It is the responsibility of organizations decorating a members house to send the address of the house to the St. Pat’s Participation chair prior to Judging.

Points Breakdown:

1st Place – 100 Points + Games Sweatshirt
2nd Place – 70 Points
Participation – 50 Points
Every Friday from the beginning of the 2021 Spring Semester until St. Pat's, we will be hosting events designed to get all the students and faculty of this campus fired up for the 113th Annual Best Ever St. Pat's!

Games (140pts)

Following the songs during Green Friday, organizations have a chance to collect points by competing in games.

January 22nd: Magic Frisbee Tournament: Each organization will provide two members for this game. The two participants will be standing at a pole holding a water bottle. The opposing team will stand 20 feet away next to a similar pole. Teams will take turns throwing a Frisbee to knock the opposite water bottle off its pole. The other team will attempt to catch the Frisbee (only using their dominant hand), and the bottle if it is knocked off. Each item your opponent allows to hit the ground is a point. Each game will go to 5 total points, and you must win by at least 2 points for the game to end.

| 1st Place-20 Points | 2nd Place-18 Points | 3rd Place-16 Points | Participation-10 Points |

January 29th: Dribble Relay: This game requires three members. The first member must dribble a basketball from point A to point B. The next member must carry the basketball and dribble a soccer ball between his or her feet from point B to point C. The last member will pick up both balls and run them back to point A. The fastest team wins.

| 1st Place-20 Points | 2nd Place-18 Points | 3rd Place-16 Points | Participation-10 Points |

Points are made by tossing the washer into the box (one point) or in the center (three points). The first team to 10 points win, must win by at least 2 points

| 1st Place-20 Points | 2nd Place-18 Points | 3rd Place-16 Points | Participation-10 Points |

February 12th: Hula Hoop Race: Teams will consist of 5 members from each organization. Teams will line up in a straight line and lock hands. A hula hoop will be given to the person on one side. | 1st Place-20 Points | 2nd Place-18 Points | 3rd Place-16 Points | Participation-10 Points |

February 19th: Sweatshirt Long Toss: One member must toss a St. Pat’s sweatshirt as far as they can from the set starting point. The organization that can throw the sweatshirt the farthest wins the game. You must bring your own sweatshirt, any size works except for youth sizes.

| 1st Place-20 Points | 2nd Place-18 Points | 3rd Place-16 Points | Participation – 10 Points |

February 26th: Dribble Relay: This game requires three members. The first member must dribble a basketball from point A to point B. The next member must carry the basketball and dribble a soccer ball between his or her feet from point B to point C. The last member will pick up both balls and run them back to point A. The fastest team wins.

| 1st Place-20 Points | 2nd Place-18 Points | 3rd Place-16 Points | Participation-10 Points |

March 5th: Frozen T-Shirt Contest: Organizations will choose 3 people to participate in this event. Each organization will be handed a knotted up frozen t-shirt. | 1st Place-20 Points | 2nd Place-18 Points | 3rd Place-16 Points | Participation-10 Points |
Snake Invasion will occur **March 1st - March 3rd** from **9 a.m.-4 p.m.** The “snake pit” will be located on campus in front of the library. This will be a competition between organizations to see who will collect the most snakeheads per first-year member. The specifications for Shillelaghs and walking sticks have changed in the past couple years, so please read the criteria portion. However the changes may be, **it is strongly encouraged for organizations to stick with their own traditions as well when it comes to choosing and making a Shillelagh/Walking Stick.**

1. The Snake Invasion traditionally is for the first-year members of an organization; however, older members are allowed to participate.
2. To enter the snake pit the first-year member must possess a Shillelagh or Walking Stick with the following specifications (**These specifications have changed; please read them carefully**):
   ♪ Must be **AT LEAST** shoulder height to the owner
   ♪ Thickness **AT THE BASE** larger than the grip of the owner’s hands
     a. Thickness of Walking Sticks must be larger than that of the grip of one hand **AT ALL POINTS.**
   ♪ Ability to stand on its own (does not apply to walking sticks)
   ♪ Artwork containing:
     ➢ 3 shamrocks (NO 4 LEAFED CLOVERS)
     ➢ 2 snakes
     ➢ Organization/Team name, (including chapter name for fraternities and sororities).
     ➢ The words/year: “113th Annual Best Ever St. Pat's 2021”
     ➢ At least one carving
3. In order to “kill” a snake, the participant must hit the snake with their Shillelagh/Walking Stick until a St. Pat's representative informs the participant the snake is “dead.” At that point, the participant will proceed to remove the head of the snake by allowing a designated pats rep to cut the head off with scissors. This cancels out the need to remove masks, and when collecting snakes there's no spit being interacted with.

4. There are no definite rules determining when the snake is dead. However, the following criteria will assist in that determination by the St. Pat's representative:

- Quality of artwork on Shillelagh or Walking Stick
- Size of Shillelagh or Walking Stick
- Quality of hits made on the snake
- Yelling of the correct responses to questions asked by the representative:
  1.) Q. Who do you love? A. St. Pat’s!
  2.) Q. What do you hate? A. Snakes!
  3.) Q. What makes the grass grow green? A. Blood! Blood! Blood!

5. The following criteria may keep snakes alive for indefinite periods of time.

- Incorrect responses to St. Pat's trivia questions (or other campus-related questions) asked by the representative.
- Gray-colored Shillelaghs
- Green Shillelaghs have traditionally been reserved for St. Pat's baby reps.

6. Snakeheads must be kept in order to receive credit. The “Head Count” will take place on Thursday, March 4th from 12 p.m.-4:00 p.m. in the Atrium of the Havener Center.

- An organization's representative must bring the collected snakeheads from all the first-year members. A St. Pat’s representative will be there to count and verify the number of snakeheads. Failure to turn in at least 1 snake head per first-year member could result in penalization.
- The number of snakeheads presented is based on the honor system. The St. Pat's Board reserves the right to disqualify organizations based on suspicion of cheating.

The St. Pat’s celebration for Missouri S&T is a tradition that has existed for over 100 years. As such, it is important that organizations do their part to help preserve and further one of Missouri’s longest-running St. Patrick’s Day celebrations. The honor of being nominated as either a student Queen or Knight is one of the most important parts of that tradition. Organizations will receive **75 points** for nominating a Queen candidate and **35 points** for nominating a student Knight. Knights who are inducted into the Order of the Snake will be worth an additional **40 points**. The criteria for induction will be given to Knights as a part of their informational sessions. No extra points will be awarded for an organization’s queen candidate winning the queen’s crown or placing as a runner-up.

The due date for nominating a Queen or Knight will be **November 30th, 2020**

Although late nominations will be considered, it is **strongly encouraged** that nominations and payment be turned in by that time. All Queens and Knights will be required to attend the coronation ceremony held on **Friday, March 12th, 2021 at 9:00 P.M. in Leach Theater in order to earn points**.

Over the years as nominations have grown, and space on the stage is limited, we’ve had to eliminate other parts of the ceremony. All Queens and Knights candidates will be seated in the first rows of leach theatre. Those chosen as the Queen of Love and Beauty and her court will be escorted onto the stage.

The week of the St. Pat’s celebration requires a tremendous amount of effort on the part of the St. Pat’s Board and is only made possible through organizations continued membership and involvement in The St. Pat’s Board. As such, we will be awarding **60 points** to organizations per active member on the St. Pat’s Board (Baby Rep, Junior Rep, or Senior Rep) during the week of the St. Pat’s celebration, with a limit of **120 points** possible. Active members of the St. Pat’s Board are not eligible to compete in any events, or hold the title of St. Pat’s Chairman for any organization.
The St. Pat's Parade takes place on **Saturday, March 13th, 2021** at **10 a.m.** at the Rolla Lion’s Club. Instead of a typical parade it will instead be a “reverse parade”. A reverse parade is where the (non-)floats are stationary and the spectators drive through, so plan for that. In order to be eligible for reimbursements and receive points for Float and Parade a float or non-float must be entered, approved, and “paraded” in the Rolla Lion’s Club.

Campus Organization Sign-ups: [https://forms.gle/DccwA7XrfYHAZx8S9](https://forms.gle/DccwA7XrfYHAZx8S9)

Non-Campus Organization Sign-ups: [https://forms.gle/mRjMWWPQXkH7zAKH8](https://forms.gle/mRjMWWPQXkH7zAKH8)

To enter a float or non-float each organization must first submit their (non-)float concept/title to Colby Rhine, either during the scheduled float sign-ups **Friday, January 31st, 2021**, or after by email. More information will be sent out about the float sign-ups when it gets closer. The concept/title must be in adherence to the 2021 theme “**St. Pat's in Paradise**”. In the case of two or more organizations entering the same concept, it will be decided on a first come first served basis, however, float concepts will have preference over non-float concepts. Once the concept is approved organizations must submit an entry form by **Friday, February 5th, 2021**. Once the entry form is turned in and approved, your organization will be sent information regarding line-ups and other day of parade information. In order for a float to be entered and approved it must meet the following criteria:

- **Maximum dimensions for float**: **13 feet high** (ground to highest point), **15 feet wide**, and any length.
- Floats must denote the float title, the organization name, and the University’s name (Missouri University of Science and Technology). This can be in a sign or poster carried by people preceding the float. The Float must also have room on the pulling vehicle for a number to be taped for easier judging.
- A pair of boards must be attached to either side of the tow vehicle on which appropriate advertising will be displayed clearly and legibly. St. Pat's will supply the advertising boards with dimensions of 4 ft. high and 8 ft. long.
- If the float fails (falls apart or becomes immobile) during the parade, the organization will not be eligible for points or reimbursements.
- There shall be no people on the float itself with the exception of the queen’s float.
- There shall be no alcohol on the float.
- There shall be no pyrotechnics on floats
- There shall be no co-floats.
- If a member of the organization is convicted of any infraction of Rolla City ordinances during the parade, the organization will not be eligible for points or reimbursements

While in the parade the floats will be judged by distinguished members of the Missouri S&T and Rolla community. They will use the following criteria to judge the floats:
● Originality
● Workmanship
● General Effect
● Adherence to the theme, parade route, starting time
● A moving part is not required but will be looked highly upon by the judges.

Your organization can be refunded up to $200 for expenses needed to build your float. In order to receive your refund, you must return your parade boards that we will assign to each float in the same condition you received them, and you must return your judging number sign. Also, you must turn in any receipts for expenses you would like reimbursed. If there is anything not relating to your float on the receipt, we cannot refund it. Everything required for your refund must be turned in by Saturday, March 20th, 2021. In addition, there will be a $50 deposit that all organizations are required to pay to be in the parade. Once the parade has passed, the organizations that participated in will be fully refunded for the deposit. The due date for the deposit is Friday, February 12th, 2021. All deposits must be turned into Colby Rhine. (Make checks out to the St. Pat’s Board)

Organizations will receive 25 points if they bring a truck to the parade, you may only receive points for one truck but feel free to bring as many as you want, to help carry parade boards. The St. Pat’s Board will provide parade board mounts. Trucks must show up to the parade at the same time as the floats. If your trucks are not needed, your organization will still get the points for showing up. To get the points, you must check in with Colby Rhine. More information will be sent out on where the trucks will meet before the parade.

The organization with the first place float will have the option to build the next year’s Queens’ Float. If all the criteria are met for the Queens’ Float that organization will automatically be awarded 200 points. If the Queen Float places 1st, 2nd, or 3rd it will be worth additional points. If the Queen’s Float receives 1st place, it will instead be awarded 275 points. If the Queen’s Float receives 2nd place, it will be awarded 250 points, and a 3rd place Queen’s Float will be awarded 225 points. Last year’s first-place float was awarded to Beta Sigma Psi, so they have the option to build the 2021 Queens’ Float.

Organizations who decide not to build a float have the option of participating in the Parade by entering a non-float. The non-float must adhere to the theme and be approved by Colby Rhine. The non-float will not be judged and will only be awarded the non-float points. The point breakdown will be as follows:

1st place – 275 points
2nd place - 250 points
3rd place - 225 points
Float Participation - 200 points
Non-Float Participation - 150 points

The St. Pat's Grateful Board Concert is an ongoing tradition of St. Pat's at Missouri S&T. Everyone, in town and on campus alike, is encouraged to come together for an afternoon of food, fun, and live music following the parade. Talent featured in our past concerts includes Reel Big Fish, Red Jumpsuit Apparatus, Shinedown, Middle Class Rut, Puddle of Mudd, Motion City Soundtrack, The Urge, Sick Puppies, The Schwag, Tech N9ne, Bowling for Soup, and 3OH!3.

Volunteers provide tremendous help to the success of our event and also get an inside look at how a concert is set up and run. Volunteers are eligible for service hours, pending approval of their organization's service chair. Volunteer slots are available from Friday afternoon to Saturday evening. Interested parties should contact the St. Pat’s Concert Chair, Luis Valdez Griffin for more information. Volunteers are also required to attend the Concert information meeting, which will be on Tuesday, March 2nd, at 6:30 p.m. in the Meramec room of Havener.

Volunteers will be provided more information during said meeting. Below is a general breakdown of what volunteers will be doing before, during, and after the concert:

Investiture & Grand Procession

The St. Pat's Board would like to invite all persons to attend the Grand Procession of the St. Pat’s court of the 113th Annual Best Ever St. Pat’s celebration. This is a more recent event that began the past year and we would love to see the university community come and help us grow this event. There will be music and food catered while the audience waits for the court to be announced and watch them walk down the stairs of the Havener Center. Come out to the Havener Center and enjoy this new tradition on Thursday, March 4th, 2021.

*Note: Participating and attending will not be for any points.*
All throughout the year, The Fraternal Order of Leaders sponsors fundraising activities and other philanthropies to benefit various causes. Every year during St. Pat’s, they sponsor the Ugly Man competition to not only bring friendly competition to all organizations participating but also in an effort to raise money for other worthy causes of the participating organizations’ choices. Organizations take part in the Ugly Man competition to show who is really motivated to fundraise and to show who is the most determined to win.

Each organization will nominate an “Ugly Man” however they see fit. Each Ugly Man contestant will come up with a character to dress up as for the competition. This character could be a real person, a known fictional character, or someone of the contestant’s own creation. The Fraternal Order of Leaders reserves the right to decline any characters deemed inappropriate. Each contestant will submit a photo dressed as their character and a quote that embodies their character to the Ugly Man Chair. The photos and quotes will be judged by the members of the Fraternal Order of Leaders for points in the competition. The Ugly Man competition events include Donation buckets, dine to donates, and the Ugly Man Pageant. The donation bucket events occur during Casino Night ticket sales table shifts which dates and times will be provided to contestants at a later date. During these events donations can be made to an Ugly Man’s bucket and Ugly Man contestants can make appearances in character in order to try and earn more donations. The donation events will be judged by how much donations the contestant receives and bonus points can be obtained by making appearances in character. Dine to Donate events will occur leading up to the pageant and Ugly Man contestants will earn points based on how many visitors attend the event as a result of the contestant and points will be awarded for making an appearance in character. The last event of the competition is the Ugly Man Pageant which takes place during the Fraternal Order of Leader’s Casino Night, March 10th, 2021. The Pageant will consist of the contestant dressed in character telling introducing themselves and their character and telling a joke. The pageant will be judged by the St. Pat’s Court and the jokes will have to be approved by the Ugly Man Chair.

The points earned by the character judging, money donations, dine to donate attendance, and pageant will be calculated and the results will be announced shortly after the conclusion of the pageant. Ugly Man contestants that place will receive a portion of all the proceeds of the contest to be given to the contestant’s philanthropy they are supporting.

Due to the COVID-19 virus, the Dine to Donate events are tentative and will occur if local ordinances allow and if restaurants are willing to host them.
Why Does Your Organization Need An Ugly Man?

The answer is quite simple. The Ugly Man competition is an opportunity to raise money for your organization's charity. Beyond this, there are additional prizes given to the organization that places.

The Ugly Man competition is a variety of events put on by the Fraternal Order of Leaders that is centered around raising as much money as possible for the organization’s choice of charity. This is not an event put on by the St. Pat’s Board, and all questions regarding applying and further information should be handled by Cole Phinny (cjpwv5@mst.edu).
