

St. Pats 2022 Participation Packet

Missouri University of Science and Technology, Rolla, MO

Overview

To the amazing and respectable community of Students, Alumni, Faculty, Staff, and Associates:

Since 1908, the St. Pat's celebration has been regarded and renowned as one of the most unique and fun events at Missouri S&T. From the extensive list of our alumni, their cherished memories are once again brought to life when the celebration arrives. Again in 2022, the St. Pat's Board is planning breathtaking events for the 114th year and is making it bigger than ever before. Participation from our community is how the celebration continues to grow and expand throughout the years; members of your organization, floor, department, and friend group make this happen. Of course, as more people participate and tell their experiences to their communities, the St. Pat's community grows equally.

These events include Snake Invasion, Follies, Gonzo & Games, the Coronation Ceremony, a Parade, and the fantabulous free Grateful Board Concert! Various organizations from all across the University compete in these events created by the St. Pat's Board in an effort to take home the gold in the celebration!!! These events make the best memories amongst members of student organizations, fraternities, sororities, honors societies, associations, and far more. This packet has all the information you and your organization will need to participate for the chance to win St. Pat's this year. With your help, we can make sure this year's celebration with the theme, "**St. Pat's At the Graveyard**" will turn out to be the Best Ever!

Greenly,

General St. Pat's Board Safety Plan 2022

Due to the severity of the ongoing Covid-19 pandemic, it is imperative that these guidelines be followed to the best of everyone's abilities.

The St. Pat's Board reserves the right to deduct points from or remove any organization or individuals that do not adhere to these guidelines.

Due to the quick changes in coronavirus mandates throughout the community, none of these events detailed are guaranteed to take place and may require additional precautions as situations change. Please pay attention to The St. Pat's Boards announcements prior to each event with appropriate protocols.

General Safety Precautions

- No temperatures above 100.4 will be tolerated for any reason, however, precautions will begin to be taken at temperatures at 99 or above.
 - Precautions include:
 - Staying home
 - Contacting a healthcare provider to get tested for Covid-19
 - Not being around others until the individual tests negative
- Campus screening must be filled out and green for everyone involved in any event relating to St. Pat's
- Facial coverings must be worn when one is not eating or drinking

Parade

Being a public event, the parade will be rather difficult to host with zero risks, however, as the St. Pat's Board, we can do everything we can with those directly involved in the parade to keep them safe while having the parade retain its traditional and historic uniqueness,

- All those intending to be in the parade must check in with the participation representative for St. Pat's Board with a temperature under 99 as well as a campus screen showing green and a facial covering properly worn.
- If for any reason, an organization refuses to wear facial coverings at any point in the parade, St. Pat's Board reserves the right to remove them from the parade as well as deduct points from their overall total, regardless of their status prior to the parade.

Green Fridays

- All those who intend to participate in Green Fridays are required to be at least 6 feet away from those not in their immediate organization.
- Those participating are required to have a green campus screen pass to present to St. Pat's board.
- Facial coverings must always be worn, no exceptions.

Follies

- Facial coverings must always be worn.
- Temperatures under 99 are required.
- A green campus screen is required.
- Social distancing will always be followed aside from within an individual organization.
 - As many follies require multiple members of a single organization, those participating will not be required to socially distance themselves from those they are participating with within their organization. However, organizations are required to always stay 6 feet apart. No exceptions.
 - Any organizations seen breaking these rules will be immediately kicked out of the events for the day and their points for the day, regardless of participation, will amount to zero.

Concert

As a result of the Coronavirus Pandemic, this year's concert will not be run the same way as it has in past years.

- Temperatures will be checked at the door.
- Individuals must sign in with the Corq app before entering.
- If maximum capacity is reached the venue will be closed to new guests.

Gonzo and Games

Games

- The St. Pat's Board reserves the right to disqualify any organization that breaks rules during the Gonzo and Games events
- Disqualification from an event will result in zero points for that game, regardless of whether or not the team has participated.
- A Green Campus screen pass and temperature checks will be mandatory prior to beginning the games
- Taking off facial coverings without expressed permission first will result in a disqualification and a resultant points score of Zero for that game.
- All games will be played socially distanced, where possible.
- All games will require facial coverings as well as sanitization of hands.
- Pie Eating Contest
 - One contestant per organization
 - Unmasked only for the eating portion of the competition
 - Must sanitize hands with a St. Pat's representative prior to competition

Snake Invasion

Should any individual or organization not abide by the following rules, they will be promptly escorted from the snake pits and will not be allowed to return until the following day. Should 3 or more members of the same organization break these rules in a day, their organization will be barred from participating until the following day.

- Maximum capacity of 15 people per pit
- Participants must always have a facial covering worn, as well as a green campus screen and a temperature under 99 degrees Fahrenheit to present upon arrival to the snake pits.
- Aside from their immediate organizations, participants must be 6 feet apart from one another. The St. Pat's Board representatives will be checking walking sticks and shillelaghs for organization names/crests during the event.
- To ensure social distancing, stealing of walking sticks/shillelaghs will not be tolerated within the snake pits, as this would require participants to break social distancing.

General Disclaimer

Seeing as social guidelines within the campus, community, and State are constantly changing specific details for social distancing guidelines for each event will be communicated with organizations prior to events.

Every year, members of Greek life, social and service organizations, athletics, academic and honors clubs, academic departments, and the community come up with a design to get printed on the back of their St. Pat's sweatshirts to represent the organization they are a part of. These are referred to as "Sweatshirt Greeks." This is a great chance to show off an organization and win points by having the best sweatshirt design!

Designs will be judged based on the following criteria

- ♣ Quality and Uniqueness
- ♣ How well it ties into the theme: "**St. Pat's At The Graveyard.**"
- ♣ How well it ties into the organization or community (i.e. Flags, Logos, Crests, Phrases, etc.)
- ♣ General Appeal

Organizations will place 1st through 5th based upon the judging. The Point Breakdown is as follows:

1st place – 150 points
2nd place – 130 points
3rd place - 120 points
4th place – 110 points
5th place – 100 points
Participation - 90 points

Organizations should provide a designated member to be in charge of ordering sweatshirts. An order must be placed by contacting **Andrew Winingar** at **arwknh@mst.edu** with the organization design **AND** number of sweatshirts by **January 23rd, 2022**. Any order including sweatshirt Greeks will automatically be entered into the contest. All orders must go through The St. Pat's Board, BSN will not accept individual orders.

Organizations wishing to have greeks printed on sweatshirts that have already been purchased must provide them at the time of ordering. These sweatshirts **MUST** be labeled with the organization name **AND** the name of the owner. This will guarantee that the sweatshirt is returned to the correct person.

Orders placed after **January 22nd** are not guaranteed to be in before the week of St. Pat's.

Throughout the month of March, Rolla noticeably gets a lot greener as the celebration draws nearer. The entire community shows off their excitement and anticipation by wearing their St. Pat's Green. For the fifth consecutive year, we are hosting a "Greenest House" Competition to allow even more ways for organizations to show off their St. Pat's Pride. Let's "green out" Rolla with green Christmas lights, St. Pat's themed yard decorations, etc. Judging will begin **Friday, March 18th**. Any house that does not have the majority of their decorations on display by **Thursday, March 10th** will be docked points.

Judging will be based on which house is the greenest and most creatively decorated. If an organization does not have a house, it will have the option to decorate a member's house. Residential hall associations and communities may decorate their floors, balconies, and any other region of the dormitory granted that they have permission to do so. Please notify the St. Pat's participation chair of your intent to decorate by **Tuesday, March 1st**. It is the responsibility of organizations decorating a member's house to send the address of the house to the St. Pat's Participation chair prior to Judging.

Snake Invasion

Participation Chair

Finnian Murdock

(918) 863-4495

fhmcbv@mst.edu

Snake Invasion will occur **March 1st - March 3rd** from **9 a.m.-4 p.m.** The “snake pit” will be located on campus in front of the library. This will be a competition between organizations to see who will collect the most snakeheads per first-year member. The specifications for Shillelaghs and walking sticks have changed in the past couple years, so please read the criteria portion. However the changes may be, **it is strongly encouraged for organizations to stick with their own traditions as well when it comes to choosing and making a Shillelagh/Walking Stick.**

In order to be eligible to earn points, it is required that the organization’s new member roster is sent to the St. Pat’s Participation Chair (fhmcbv@mst.edu) by Monday, February 28th.

1st place – 200 points + Games Sweatshirt

2nd place - 180 points

3rd place - 160 points

4th place – 140 points

5th place – 120 points

Participation – 100 points

If organizations gather more than 5 snakeheads per first-year member, then **30 points** will be awarded. If members gather more than 10 snakeheads per new member an additional **20 points** will be awarded.

Snake Invasion Criteria:

1. The Snake Invasion traditionally is for the first-year members of an organization; however, older members are allowed to participate.
2. To enter the snake pit the first-year member must possess a Shillelagh or Walking Stick with the following specifications (**These specifications have changed; please read them carefully**):

♣ Must be **AT LEAST** shoulder height to the owner

♣ Thickness **AT THE BASE** larger than the grip of the owner’s hands

- a. Thickness of Walking Sticks must be larger than that of the grip of one hand **AT ALL POINTS.**

♣ Ability to stand on its own (does not apply to walking sticks)

♣ Artwork containing:

- 3 shamrocks (NO 4 LEAFED CLOVERS)
- 2 snakes
- Organization/Team name, (including chapter name for fraternities and sororities).

- The words/year: “114th Annual Best Ever St. Pat's 2021”
 - At least one carving
3. In order to “kill” a snake, the participant must hit the snake with their Shillelagh/Walking Stick until a St. Pat's representative informs the participant the snake is “dead.” At that point, the participant will proceed to remove the head of the snake by allowing a designated pats rep to cut the head off with scissors. This cancels out the need to remove masks, and when collecting snakes there's no spit being interacted with.
 4. There are no definite rules determining when the snake is dead. However, the following criteria will assist in that determination by the St. Pat's representative:
 - ♣ Quality of artwork on Shillelagh or Walking Stick
 - ♣ Size of Shillelagh or Walking Stick**
 - ♣ Quality of hits made on the snake
 - ♣ Yelling of the correct responses to questions asked by the representative:
 - 1.) Q. Who do you love? A. St. Pat's!
 - 2.) Q. What do you hate? A. Snakes!
 - 3.) Q. What makes the grass grow green? A. Blood! Blood! Blood!
 5. The following criteria may keep snakes alive for indefinite periods of time.
 - ♣ Incorrect responses to St. Pat's trivia questions (or other campus-related questions) asked by the representative.
 - ♣ Gray-colored Shillelaghs
 - ♣ Green Shillelaghs have traditionally been reserved for St. Pat's baby reps.
 6. Snakeheads must be kept in order to receive credit. The “Head Count” will take place on Thursday, March 4th from 12 p.m.-4:00 p.m. in the Atrium of the Havener Center.
 - ♣ An organization's representative must bring the collected snakeheads from all the first-year members. A St. Pat's representative will be there to count and verify the number of snakeheads. Failure to turn in at least 1 snake head per first-year member could result in penalization.
 - ♣ The number of snakeheads presented is based on the honor system. The St. Pat's Board reserves the right to disqualify organizations based on suspicion of cheating.

St. Pat's Activities Discussion & Disclaimers

The St. Pat's festival is a long-standing Missouri S&T tradition. Included in this event are various public activities and being such these activities are also a reflection of Missouri S&T and the St. Pat's Festival to the local community, and any campus guest or visitors.

Missouri S&T recognizes the St. Pat's Festival as one of the key events that frame our identity and consider the Festival to be something which makes us unique amongst our peer institutions. So we ask that all participants bear in mind that during the St. Pat's Festival, many people will be visiting Rolla to attend this event and several campus offices will be utilized as an opportunity to engage returning alumni, and to showcase our campus to various visitors.

The practice outlined below, combined with potential actions from the St. Pat's Board represent the desire of the Board and the University to ensure this event can remain a spotlight activity, in the spirit of celebrating the patron saint of engineers and the collective creativity of our students.

Due to previous instances regarding inflammatory public remarks made with amplified sound during the St. Pat's festivities, the St. Pat's Board in conjunction with the Office of Student Involvement, will collaborate in the following manner to ensure the free speech of participants is not limited, but is reviewed with the intent to minimize potential for grievance from the community at large.

1. All participant materials will be submitted to Joseph Schweer for review by February 28, 2022.
2. Representatives from the Office of Student Involvement and St. Pat's will collectively review submitted materials. The Office of Student Involvement will advise the board regarding language which will likely result in grievances (those based upon orientation, ethnicity, etc. or which may expose St. Pat's and the individual speaker to legal charges).
3. Based upon the review, St. Pat's will make a decision regarding whether the group may move forward to participate or if revisions will need to take place.

St. Pat's has committed to informing participants ahead of time of the following:

1. There are times a group will go off script. In this event, St. Pat's will be prepared to pull the mic when necessary. Additionally, such behavior can result in the group's disqualification.
2. St. Pat's Board reserves the right to disqualify organizations for not adhering to the events' rule. This may include failure to submit your jokes and entries for consideration, deviating from the approved script, and presenting your organization in a manner which may be construed as obscene or offensive.
3. There will be an announcement made at the start of Follies each day, below. It is suggested all participants be presented with a printed copy as well.
 - a. "The views expressed here today do not reflect the views of the University of Missouri or the St. Pat's Celebration Board. Participants are reminded, and have been previously cautioned that 1) obscene behavior may be subject to the student conduct process, and 2) presentation of material that has not been previously submitted may result in disqualifications from all Follies events."

Ultimate decisions regarding content and participation are made by the St. Pat's Board with consultation provided by the Office of Student Involvement. The cooperation of all participants and leaders for this event can ensure the ongoing success of St. Pat's as a whole, making sure this is truly the Best Ever.

Cornhole Tournament

Each organization will be entered into the bracket. Teams of two will compete tossing bean bags underhand in rounds until one team scores the necessary amount of points to win. Get 10*

Each organization wishing to participate must enter a team of 5 players. Similar to capture the flag, each team has 5 minutes to collect bean bags from the other team's base, and transport them back to their own without getting tagged. Each player may only carry one bean bag at a time, and players holding a bean bag can not tag opponents. Any player that crosses the middle line into the other team's territory or that is holding a bean bag is vulnerable to being tagged by the opposing team, after which the player must return any bean bag they may be holding to where they got it and step into their home team's base before returning to play. Aside from returning to play after being tagged, no one may cross into their own team's base zone. Doing so will result in that player leaving the game for 30 seconds, then reentering play from their team's base zone. The first team to collect all 10 bags wins, otherwise the team with the most at the end of the game wins. If the teams are tied by the end of the game, play continues until there's a winner.

- 1st place – 25 points**
- 2nd place - 22 points**
- 3rd place - 20 points**
- 4th place - 17 points**

First team to eliminate all of the other team's players or with the most players at the end of the game wins. If both teams have the same number of players by the end of the match, it is sudden death until someone is eliminated.

Tradition

Queens & Knights Chair

Katherine Fabac

(913) 313-3319

knfzcd@mst.edu

The St. Pat's celebration for Missouri S&T is a tradition that has existed for over 100 years. As such, it is important that organizations do their part to help preserve and further one of Missouri's longest-running St. Patrick's Day celebrations. The honor of being nominated as either a student Queen or Knight is one of the most important parts of that tradition. Organizations will receive **75 points** for nominating a Queen candidate and **35 points** for nominating a student Knight. Knights who are inducted into the Order of the Snake will be worth an additional **40 points**. The criteria for induction will be given to Knights as a part of their informational sessions. No extra points will be awarded for an organization's queen candidate winning the queen's crown or placing as a runner-up. The due date for nominating a Queen or Knight will be **November 30th, 2021**

Although late nominations will be considered, it is **strongly encouraged** that nominations and payment be turned in by that time. All Queens and Knights will be required to attend the coronation ceremony held on **Friday, March 18th, 2021 at 9:00 P.M. in Leach Theater in order to earn points.**

Over the years as nominations have grown, and space on the stage is limited, we've had to eliminate other parts of the ceremony. All Queens and Knights candidates will be seated in the first rows of Leach Theatre. Those chosen as the Queen of Love and Beauty and her court will be escorted onto the stage.

The week of the St. Pat's celebration requires a tremendous amount of effort on the part of the St. Pat's Board and is only made possible through organizations' continued membership and involvement in The St. Pat's Board. As such, we will be awarding **60 points** to organizations per active member on the St. Pat's Board (Baby Rep, Junior Rep, or Senior Rep) during the week of the St. Pat's celebration, with a limit of **120 points** possible. Active members of the St. Pat's Board are not eligible to compete in any events, or hold the title of St. Pat's Chairman for any organization.

sjjht@mst.edu

The St. Pat's Parade takes place on Saturday, March, 19th, 2022 at 11 a.m. on Pine Street in downtown Rolla. In order to be eligible for reimbursements and receive points for the Float and Parade, a float or non-float must be entered, approved and paraded down Pine Street.

Campus Organization Sign-ups: <https://forms.gle/4GryeV3LfFojSTm36>

To enter a float or non-float each organization must first submit their (non-)float concept/title to Sam Johns, either during the scheduled float sign-ups Tuesday, February 1st, 2022, or after by email. More information will be sent out about the float sign-ups when it gets closer. The concept/title must be in adherence to the 2022 theme "St. Pat's at the Graveyard". In the case of two or more organizations entering the same concept, it will be decided on a first come first served basis, however, float concepts will have preference over non-float concepts. Once the concept is approved organizations must submit an entry form by Tuesday, February 8th, 2022. Once the entry form is turned in and approved, your organization will be sent information regarding line-ups and other day of parade information. In order for a float to be entered and approved it must meet the following criteria:

- Maximum dimensions for float: 13 feet high (ground to highest point), 15 feet wide, and any length.
- Floats must denote the float title, the organization name, and the University's name (Missouri University of Science and Technology). This can be in a sign or poster carried by people preceding the float. The Float must also have room on the pulling vehicle for a number to be taped for easier judging.
- A pair of boards must be attached to either side of the tow vehicle on which appropriate advertising will be displayed clearly and legibly. St. Pat's will supply the advertising boards with dimensions of 4 ft. high and 8 ft. long.
- If the float fails (falls apart or becomes immobile) during the parade, the organization will not be eligible for points or reimbursements.
- There shall be no people on the float itself with the exception of the queen's float.
- There shall be no alcohol on the float.
- There shall be no pyrotechnics on floats
- There shall be no co-floats.
- If a member of the organization is convicted of any infraction of Rolla City ordinances during the parade, the organization will not be eligible for points or reimbursements

While in the parade the floats will be judged by distinguished members of the Missouri S&T and Rolla community. They will use the following criteria to judge the floats:

- Originality
- Workmanship
- General Effect
- Adherence to the theme, parade route, starting time
- A moving part is not required but will be looked highly upon by the judges.

Your organization can be refunded up to \$200 for expenses needed to build your float.

In order to receive your refund, you must return your parade boards that we will assign to each float in the same condition you received them, and you must return your judging number sign. Also, you must turn in any receipts for expenses you would like reimbursed. If there is anything not relating to your float on the receipt, we cannot refund it. Everything required for your refund must be turned in by Saturday, March 26th, 2022. In addition, there will be a \$50 deposit that all organizations are required to pay to be in the parade. Once the parade has passed, the organizations that participated in will be fully refunded for the deposit. The due date for the deposit is Tuesday, February 15th, 2022. All deposits must be turned into Sam Johns. (Make checks out to the St. Pat's Board)

Organizations will receive 50 points if they bring a truck to the parade, you may only receive points for one truck but feel free to bring as many as you want, to help carry parade boards. The St. Pat's Board will provide parade board mounts. Trucks must show up to the parade at the same time as the floats. If your trucks are not needed, your organization will still get the points for showing up. To get the points, you must check in with Sam Johns. More information will be sent out on where the trucks will meet before the parade.

The organization with the first place float will have the option to build the next year's Queens' Float. If all the criteria are met for the Queens' Float that organization will automatically be awarded 200 points. If the Queen Float places 1st, 2nd, or 3rd it will be worth additional points. If the Queen's Float receives 1st place, it will instead be awarded 325 points. If the Queen's Float receives 2nd place, it will be awarded 300 points, and a 3rd place Queen's Float will be awarded 275 points. An organization will not have the option to build the Queen's Float more than 2 years in a row. Last year's first-place float was awarded to Beta Sigma Psi, but they have had the Queen's Float for 2 years in a row. Therefore, Delta Sigma Phi, the runner-up, will have the option to build the 2022 Queens' Float.

Organizations who decide not to build a float have the option of participating in the Parade by entering a non-float. The non-float must adhere to the theme and be approved by Sam Johns. The non-float will not be judged and will only be awarded the non-float points. The point breakdown will be as follows:

1st place – 275 points

2nd place - 250 points

3rd place - 225 points

Float Participation - 200 points

Non-Float Participation - 150 points

All throughout the year, The Fraternal Order of Leaders sponsors fundraising activities and other philanthropies to benefit various causes. Every year during St. Pat's, they sponsor the Ugly Man competition to not only bring friendly competition to all organizations participating but also in an effort to raise money for other worthy causes of the participating organizations' choices. Organizations take part in the Ugly Man competition to show who is really motivated to fundraise and to show who is the most determined to win.

Each organization will nominate an "Ugly Man" however they see fit. Each Ugly Man contestant will come up with a character to dress up as for the competition. This character could be a real person, a known fictional character, or someone of the contestant's own creation. The Fraternal Order of Leaders reserves the right to decline any characters deemed inappropriate. Each contestant will submit a photo dressed as their character and a quote that embodies their character to the Ugly Man chair. The photos and quotes will be judged by the members of the Fraternal Order of Leaders for points in the competition. The Ugly Man competition events include Donation buckets, dine to donate, and the Ugly Man Pageant. The donation bucket events occur during Casino Night ticket sales table shifts which dates and times will be provided to contestants at a later date. During these events donations can be made to an Ugly Man's bucket and Ugly Man contestants can make appearances in character in order to try and earn more donations. The donation events will be judged by how much donations the contestant receives and bonus points can be obtained by making appearances in character. Dine to Donate events will occur leading up to the pageant and Ugly Man contestants will earn points based on how many visitors attend the event as a result of the contestant and points will be awarded for making an appearance in character. The last event of the competition is the Ugly Man Pageant which takes place during the Fraternal Order of Leader's Casino Night, **March 16th, 2022**. The Pageant will consist of the contestant dressed in character telling introducing themselves and their character and telling a joke. The pageant will be judged by the St. Pat's Court and the jokes will have to be approved by the Ugly Man Chair.

The points earned by the character judging, money donations, dine to donate attendance, and pageant will be calculated and the results will be announced shortly after the conclusion of the pageant. Ugly Man contestants that place will receive a portion of all the proceeds of the contest to be given to the contestant's philanthropy they are supporting.

Due to the COVID-19 virus, the Dine to Donate events are tentative and will occur if local ordinances allow and if restaurants are willing to host them.

Why Does Your Organization Need An Ugly Man?
