7:00-9:00PM

WEDNESDAY
MARCH 15 EL MAGUEY
7:00-9:00PM

TSHIRTS WILL BE AVAILABLE FOR PURCHASE AT EACH EVENT!

A Letter From The President

As the DAZE count down to the 115th Annual Best Ever St. Pat's two words come to mind: FIRED UP! As president over the past year I am excited to see how all the hard work and effort the active board has put in to throw the Best Ever. Our Board Reps have been networking, collaborating, and planning for hours on end to bring a celebration without Covid concerns for the first time in a couple of years.

Covid is still around and I ask all alumni to use their best judgment when it comes to their own personal health. With the continued focus on Mental Health and Mental Well-Being I am proud to say that the St. Pat's Board is still Gold Certified through JOE'S PEERS. This means the Board knows what to do in crisis situations as well as healthy coping mechanisms.

A big project I have conducted this year includes the Cudgel Initiative. With the Cudgel Initiative Greek Houses will be donating Cudgels from years past and these will be put into heavy trafficked buildings around campus. Prime locations include the Library, Havener Center, Butler Carlton Hall, as well as other academic buildings. Additionally, another part of the Cudgel Initiative is to have the proper tools in the new Maker's Space in the Student Innovation Lab to build Walking Sticks, Shillelaghs, and Cudgels. This will allow more non-Greek teams to participate as they will have access to the tools necessary to be able to compete in Snake Pits and the Cudgel Competition. Finally, with the last part of the Cudgel Initiative, the winner of the Annual Cudgel Design Competition will be put on display in the new Welcome Center. This Initiative will help the Campus identify and solidify St. Pat's as a major theme of the university. I am very excited for what this means for the St. Pat's Board and how we can continue to show our traditions to the student body, university, and community.

Outside of the Cudgel Initiative, we have more non-Greek teams participating this year. New additions this year include sports teams. Men's football, Women and Men's Basketball, and Track & Field have all participated this year. Additionally, Women's Softball and the Men's Swim team both bought Greek sweatshirts this year as well. I look forward to seeing how participation can expand in future years to allow more students to enjoy the festivities that we all know and love.

On a less light-hearted note, the active Board has chosen to honor Tom Green and Robert Fitzsimmons 'Fitzguard'. Tom Green passed away August 22nd, 2021 and Fitzguard passed away May 13th, 2022. A slideshow and short speech will be held at the beginning of Coronation so alumni can pay respect to them. I know both of these individuals mean a lot to many individuals and have impacted many Board Reps lives.

I am grateful that I have had the opportunity to lead a Board full of hard working and innovating individuals. None of our success could have been done without everyone working hard to better St. Pat's. I am thankful for all of our Board Reps, Community Leaders, and University Leaders who have allowed us to bring together this tradition which is entering its 115th year.

I look forward to finishing this wild ride with my head held high getting to experience everyone's hard work come to fruition in March. For the alumni coming down may you have safe travels here and I cannot wait to catch up and chat during the festivities.

Greenly,
Andrew R. Winingar

Campus Sales

My name is Scott Lillard and i joined the board because i wanted to get involved more on campus and be a part of something as big as St. Pats. My favorite part of being campus sales is that i get to start my day early and be fully awake by the time my classes start. My hobbies include video games, weight lifting, and cooking.

Local Sales

My name is Isaac Cass. I enjoy skateboarding and kayaking. I joined the board in order to throw the best celebration on campus. My favorite part of St. Pats is snake pits.

Here's a list of our current stocked businesses:

- Russ n Rena's
- Liquor Cabinet
- Rolla Book n Toys
- Keliedasmoke
- Public House
- Forgotten Finds
- Bluefish

And yes, you can still catch us selling from 9am-5pm every Saturday at:

- Walmart
- Price Chopper
- Mobile "On The Run"
- Motomart
- Cricket Wireless
- Peace of Mind
- Bevmart
- And the occasional S&T sporting event!

Special Sales

My name is Matthew Baird and I represent Tau Kappa Epsilon, and I joined the board because I saw just how passionate the people of Rolla were about St. Pats and wanted to help put that on every year. I hold the committee of Special Sales and while it is definitely a difficult committee, acting as the board's liaison between RSO's and Bluefish is definitely extremely rewarding and has taught me so much about professional communication and time management. When I have downtime, I really enjoy fencing (the sport).

Costumes

Vintage Sales

Hello everyone! My name is Ollie Fensterman, I am a member of Sigma Nu, and am the current Costumes Chair. When we received the new costumes we purchased last year, they didn't look quite right with lots of gray in the design as opposed to the more green that had been agreed upon. This was a big project for me this year as they are all now corrected and looking in spirit! Some other projects I have been working on include constructing a set of new formal spears as the previous ones were due for an update. Another project for me has been stripping and redoing the informal shields as they were starting to show their age.

Decorations

My name's Hank and I represent Beta Sigma Psi, I do decorations for the board, and my favorite thing about Pat's is that it makes our school unique.

Float & Parade

My name is Emilie, I joined the St. Pat's board because I wanted to get involved more on campus and greek just wasn't for me. When I found the borad they were an active, fun group of people that came together to throw the traditional Best Ever.

Concerts

My name is Evan Handrahan, I'm studying Chemical Engineering and I'm a member of Sigma Nu. One of the reasons I joined the Board was to meet more people and get involved with campus and the community. I'm the current concerts chair and when I came to college I never thought that I'd be in charge of something like this. This year COIN will be the headliner, supported by Crash Adams and Shiloh - a local band. I won the 2022 Greek Week Mario Kart tournament.

Queens & Knights

Name is Abby Shields and my favorite part of being queens & knights chair is being able to interact and get to know people from many organizations. A hobby of mine is making digital art

Ceremonies

Dominic Dalpoas, I joined the board because once I learned about pats and how it affected the community around Rolla I couldn't not join and help throw the best ever. Then, I found some of my best friends here and I couldn't be happier to be a part of this amazing organization. My favorite hobby is definitely video games!

Gonzo & Games

Hey! My name is Henry Gnann. The reason I joined the Board is that I want to contribute to our unique history and throw the Best Ever. In my free time, I enjoy longboarding and meeting new people.

Participation & Trophies

I'm Aaron Deken, I'm the Participation & Trophies chair for the St. Pat's Board. I joined and remain on the board for the tradition, kinship, and support of the board. When I'm not at school or doing work for St. Pat's, you'll find me customizing my computer in some new weird way.

Follies

My name is Nate Lefarth and I joined the board to expand my horizons, better myself, and to be apart of the most important tradition on campus. A fun hobby of mine is that I enjoy whittling.

Publicity

My name is Ayden Boudreaux, I'm a sophomore in Engineering Management, and I represent Lambda Chi Alpha on the St. Pat's Board as it's Publicity Chair. The reason I joined the board was to help put together what I thought was a super fun celebration, which also went with one of my favorite holidays. My favorite thing about my position is I get to have a creative outlet in the flyers I create, and I get to show everyone the fun stuff we do. Some of my favorite hobbies include music, tv shows, video games, and driving around.

Grateful Board

My name is Lex Rauer and I joined the St. Pats Board for leadership opportunities and to give back to the community. A fun hobby I have is fixing old video game systems!

Court Arrival

My name is Nick Lauter. I joined the St. Pat's Board because i loved the social aspect of it, and I wanted to help put on the best ever. For my committee, I love making the spread betta. A fun hobby of mine is I love playing hockey.

Meet the new Babies!

My name is Thomas Schrader, I was told the St. Pat's Board would be fun and give me something to do. Also, Lex said so. My favorite part is painting on Sunday's and seeing the buttons and boards. My personal hobby is going for late night drives.

Representing Delta Tau Delta

My name is Maelon Earhart, I am a Lambda Chi, and I joined the Board to push myself and help put on the best ever! In my free time I like to downhill skate, and I run a small skate glove company called Helix Longboards. I haven't picked a major yet, but I'm thinking about going into biomedical engineering.

Representing Lamda Chi Alpha

My name is Abi Hall and I joined the board to be involved in and help put on the Best Ever St. Pats!! I enjoy reading in my free time

Representing Kappa Delta

I am Nick Pickett. I really wanted to meet a lot of people really fast so I joined the board. I enjoy collecting books.

Representing Phi Kappa Theta

Meet the new Babies!

My name is Taegan Fink, I joined the board after meeting some of the board members and got along with them really well, along with it being the best tradition on campus. I've loved baking since sophomore year of high school.

Representing Theta Xi

My name is Dylan Bolter. I joined the board because I wanted to be involved in more service projects and to throw a celebration that everyone can enjoy. I also wanted to make more connections than I would be able to just within my house. A fun hobby of mine is restoring old furniture.

Representing Theta Xi

Hey, my name is Kaeden Lipp, and I joined the board because I was looking to get more involved around campus. I saw that St Pats had a lot of involvement year round at S&T, and thought that it would be a fun group that would help me to broaden connections. In my free time I enjoy anything outdoor related, but Bowfishing holds a special place in my heart.

Representing Delta Sigma Phi

My name is Kiran Makkapati. I joined the Board because I wanted to be a part of something bigger than myself. I heard about what the board does for the town of Rolla and I want to be a part of that. I want to help make every celebration that I participate in the best ever! My favorite part about the board so far is campus sales as it is fun to talk to all the students on campus who stop by to buy merch. A fun hobby for me is lifting weights!

Representing Delta Sigma Phi

Meet the new Babies!

Representing Sigma Pi

My name is Jackson Rucinski. I love music and a bunch of other things and my dream job is to be a Disney imagineer. I joined the board cause I love supporting and spreading school spirit and the spirit of St. Patrick.

Representing Delta Sigma Phi

My name is Nick Camden and I joined the Board in order to learn about the traditions of St. Pats, as well as to see and take part in all of the preparation and planning that goes into the week of St. Pats. I enjoy everything music-related and play a few instruments in my spare time.

Representing Lambda Sigma Pi

My name is Kristen Laird. I joined the St. Pat's Board because I thought it would be fun to help put on the Best Ever St. Pat's events and make new friends along the way! I like drawing and painting for fun.

Representing Sigma Nu

I'm Nolan Hance and I joined the board to get more involved on campus and to continue to meet new people. One of my hobbies is working on cars, and learning more about them.

Green Friday

There have been several fun Green Friday events that have kicked off this year! We've had games from Pole-ish Horseshoes, Speed Stacking, Sack Racing, and Frozen T-Shirt contest!

Many new organizations have been coming out to participate in the competition this year so it truly is the 115th Annual Best Ever St. Pats!

Pat's With A Purpose!

This year, the St. Pat's Board has decided to reach out and do not one but two Pat's With A Purpose styled sweatshirts! The organizations that the St. Pat's Board has partnered with are Tau Kappa Epsilon and Kappa Delta. After orders were placed, the Board managed to make a whopping \$8500 to be donated! This year we have a white sweatshirt supporting childhood cancer research, and a lavender purple sweatshirt supporting the prevention of child abuse. The majority of proceeds will be donated to their respective philanthropies.

New Events

This year, our Gonzo and Games chair, Henry Gnann, is introducing a new event. This event, known as the Gonzo Carnival, is an open, organization-led area featuring games, experiences, and other attractions. The Carnival has changed from previous years to provide another way for organizations to show off what they have to offer. Some of the offerings include a dunk tank, casino games, and carnival food.

Coming Soon!

A Brand New App

Although several errors and delays have been experienced.

A brand new St. Pat's App is making its way to the St. Pat's Board and Rolla!

The Webmaster position will now be in charge of not just the main website, but a new app that can be easily updated from the app.

The app features a Board Rep version and public version that make it easy to see leader boards, upcoming events, members, and additional info and games!

*Events listed on photo are not final

An Interactive Packet?

Easily Updatable for years to come?

Truly A Best Ever App for the Best Ever Celebration!

ST. PAT'S BOARD
